

Global Benefits Compliance News

Lockton Benefit Group

May 2019

Global Benefits Compliance News provides you with the latest insights on international benefits issues affecting you and your business. Our experts focus on legislation affecting social insurance and employee benefits around the world, including life, disability, accident insurance, health insurance, retirement, leave and perquisites.

We have launched a new website to serve as the new home for Global Benefits Compliance News. Articles will be posted throughout the month and summarized in monthly email subscriptions. Look for more information in the coming weeks!

China

China reduces social insurance contributions for employers.

Hong Kong

Hong Kong increases tax incentives for voluntary contributions to mandatory provident funds.

India
