

AMAZING GRACE

FRENCH OAK BARREL-AGED ABBEY ALE, 8%

From the barrel room comes this oak aged specialty release. Every so often we receive French Oak barrels that previously held red wine. If our brewers have extra time [and beer] they have been known to age some of our Lost and Found Abbey Ale in these barrels. Amazing Grace shows hints of soft oak tannins and light vanilla notes from the oak barrels. A subtle dash of red wine character from the aging process reveals itself if there is served at cellar temperature and compliments the toasted malt character of the base beer.
