

Dr. Miller's

Detox Tea

Detox • Cleanse • Weight Loss

Original Holy Tea Formula

HERBAL TEA
2 TEA BAGS
NET WT .5 OZ

DIRECTIONS: 2 tea bags = 1 gallon of prepared tea. To make 1 gallon of prepared tea: Bring a quart of water to a full rolling boil then turn off heat. Place two tea bags in the hot water; cover and steep for 4-8 hours (or overnight) to bring the herbs to full potency. Then pour the contents (including the tea bags) into a gallon pitcher and fill with water. And it's ready to drink and/or refrigerate. Do not microwave the water or tea bags; doing so will destroy the herb's beneficial properties.

RECOMMENDED USAGE:

To experience the health benefits, drink 4-8 ounces of the prepared tea two or three times a day. Dr. Miller's Detox Tea tastes great hot, warm, or when iced. In addition, it can be mixed with sweeteners, lemon, other natural flavoring, another tea, juice, or beverage of your choice.
