

Spotlight Retreat for Top Recruiters

At LurraLife our philosophy is centered on nature being our greatest resource for enriching our mind, body, and spirit. As part of this, every quarter we host a LurraLife Spotlight Retreat to inspire and connect with our top recruiters. Each retreat is held at a different location around the world known for its natural beauty. Anyone can qualify and earn their spot at the next event! Details provided below.

Event activities focus on being in nature and celebrating Mother Earth. Through this special experience, you will get to connect with and be inspired by the natural world and learn more about yourself in the process. It is our hope that you will then take that renewed energy and motivation back home and share it with your team members, customers, friends, and family.

This will be an experience YOU won't want to miss and will want to encourage your team to be part of as well. At these exclusive events, you'll also get to spend quality time with the Founders and executive staff of the company as well as meet other top performers and grow your network. This is important because surrounding yourself with like-minded individuals who have a proven record of achievement is one of the most powerful drivers of personal success.

The next LurraLife Spotlight Retreat will be held in San Diego, California in late July. Located on the Pacific coast, San Diego is known for its beaches, parks, and warm climate. With near perfect weather year-round, 70 miles of spectacular coastline, world-class attractions and a thriving urban core, complete with a sophisticated art, dining and nightlife scene, San Diego has earned the name of California's beach city.
