ABOUT US

Every Thursday evening from June through October, Queen Anne Farmers Market (QAFM) is the “Town Square” for our neighborhood. With over 110,000 market goers, it’s the largest event on “the hill,” an important community resource, and the biggest opportunity for neighborhood businesses to connect with the greater Queen Anne Community. The only independent, community-run farmers market in the city, and as a non-profit, QAFM is made possible through the generous support of local businesses and individuals who underwrite 35% of the market’s operating budget. Simply put: it would not happen without you.

Please join us again (or for the first time) in 2020. Together, let’s do something good for your business and meaningful for our community!

- 5,000 to 7,000 individuals & families attend each market.
