Narrative:

FEDEX Frieght advised that they did a pick up from New Haven and believed the shipper was shipping Marijuana. The company opened two boxes in front of me. Both boxes contained paperwork explaining the shipper as a registered VT Cannabis Hemp grower and had Oct 2019 laboratory paperwork stating the THC content of 0.06%. I advised the company that this does appear to Legal Hemp and not Marijuana and the police was not going to seize it.

Nothing more.
