\*Reminder: "First or Second Semester Book" is just the division for all MC books. First Semester Books for MC 2 through MC 9 are recommended for students who have not used CI books/methods before. Second Semester Books are usually specialized books. MC books do not have to be done in any certain order (once the CI methods are learned via one First Semester MC book or a CQLA\* book). The Second Semester books for MC 2 through MC 9 and all other high school books are not specifically in order but are various types--research reports, essays only, and creative writing--at each grade level span. (\*CQLA, Character Quality Language Arts, is our stand-alone language arts program for grades two through twelve.)
