*Reminder: "First or Second Semester Book" is just the division for all MC books. First Semester Books for MC 2 through MC 9 are recommended for students who have not used CI books/methods before. Second Semester Books are usually specialized books. MC books do not have to be done in any certain order (once the CI methods are learned via one **First Semester** MC book or a CQLA* book). The **Second Semester** books for MC 2 through MC 9 and all other high school books are not specifically in order but are **various types**--research reports, essays only, and creative writing--at each grade level span. (*CQLA, *Character Quality Language Arts*, is our stand-alone language arts program for grades two through twelve.)
