~All First Semester Books (I) for fifth through ninth grades may be used for remediation for older students too.

~(I) Designates First Semester; (II) Designates Second Semester—May Be Used In Order or Out of Order

[†]Note: If your student has not used any CI books, you may desire to use a first semester MC book first since these books (up to and including 9 I) teach how to do the S-by-S Outline Over Given Material and CI's Checklist Challenge.

*MC 7's and 8's may be counted toward high school credits if student is twelve years or older and is writing at a high school level (according to the teacher's discretion)--as long as the student completes the Extension level assignments.
