USSEC Solar Champion Award

The Utility Scale Solar Energy Coalition of Maryland (USSEC)
is very proud to announce that

Delegate Luke Clippinger

and

Senator Brian Feldman

have each been awarded the *USSEC Solar Champion Award* in recognition of their tireless and outstanding advocacy for the solar industry. Their steadfast leadership continues to be instrumental to the success of the Maryland solar industry and to the greening of our electricity grid. USSEC's members and supporters are grateful to have Delegate Clippinger and Senator Feldman as supporters and are honored to be able to present this award.

Sincerely,

**The Utility Scale Solar Energy Coalition
of Maryland**
