

## Founder Profiles

**John Dayton, MD, FACEP, FAAEM**

**FOUNDER / CHIEF MEDICAL OFFICER**

Dr. Dayton is an emergency physician, entrepreneur, and educator. He is an adjunct professor for the School of Medicine at the University of Utah. There, he trains residents, medical students, and physician assistant students. John co-founded Utah's Chapter of the Society of Physician Entrepreneurs (SoPE) to connect physicians with patent attorneys, business development experts, engineers, and other healthcare innovators and stakeholders. He also recently served as the president for the Utah Chapter of the American College of Emergency Physicians (ACEP). John founded MedForums.com to improve healthcare by helping his colleagues find the best medical education resources, including continuing medical education (CME) courses, board preparation materials, and free online access medical education (#FOAMed), including podcasts, blogs, and applications. **Angela Dayton, MS**

**CHIEF EXECUTIVE OFFICER**

Angela Dayton is a business entrepreneur and education expert. She has successfully launched new ideas, concepts, and products into the marketplace. Through Angela's leadership, companies have been born, patents secured, products sold, marketing strategies implemented, distribution channels established, partnerships developed, workforce solutions created, project management processes completed, training implemented, conferences executed, communications publicized, and companies purchased. She is excited to give physicians a voice on MedForums.com. Contact at [angela@medforums.com](mailto:angela@medforums.com).
