“By exploring ten characteristics of who God is — holy, loving, just, good, merciful, gracious, faithful, truthful, and wise — this book helps us understand who God intends for us to be. Through Christ, the perfect reflection of the image of God, we will discover how God’s own attributes impact how we live, leading to freedom and purpose as we follow his will and are conformed to his image.” (Jen Wilkin)

**STUDY: BOOK OF ECCLESIASTES**

(continuation from fall session)  
Led by: Rosa Loving  
(rosaloving@yahoo.com)

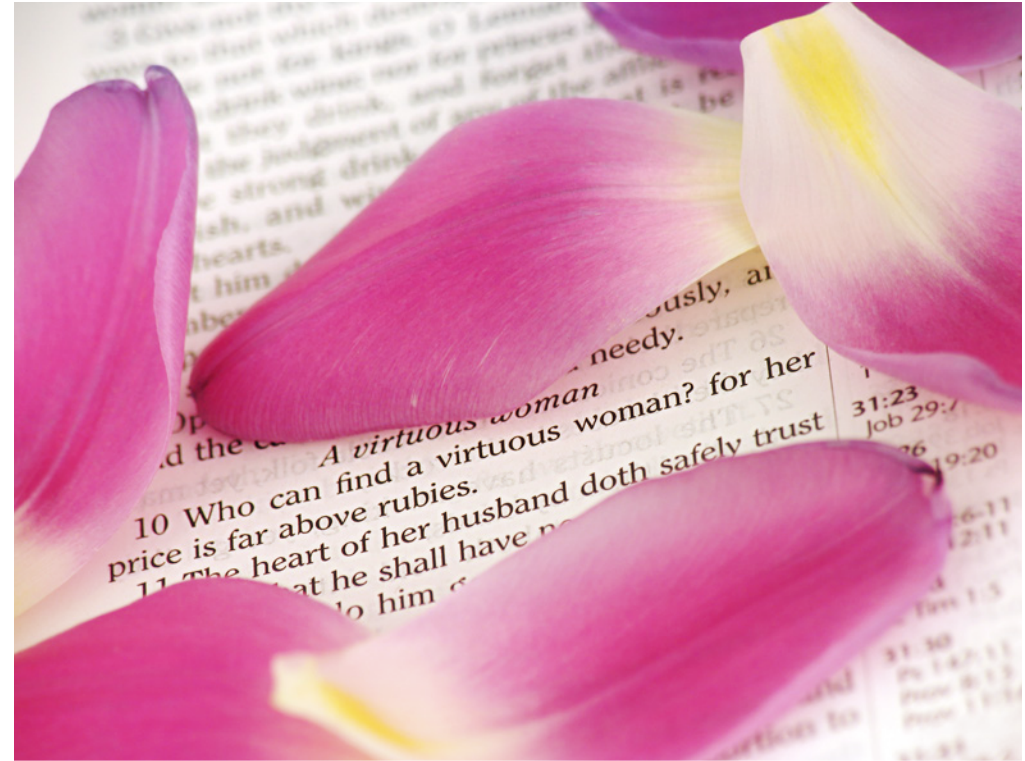

Solomon, the richest and wisest man, experimented with life “under the sun” (from man’s perspective without God) to see what it was that made life worth living. In the laboratory of life he experimented with enjoying various physical pleasures, accomplishing great and costly works, and accumulating great possessions, only to discover that there was no lasting satisfaction in them. He had everything, but his life was empty! He concluded that man should enjoy the life and blessings that God gives, “fear God and keep his commandments, for God will bring every act to judgment.”

# Women’s Mentoring Ministry

## Spring 2019 Schedule

“...long for the pure milk of the word, so that by it you may grow in respect to salvation,” —1 Peter 2:2

Women's Mentoring Ministry invites you to prayerfully consider walking alongside us as we seek to encourage one another to grow in **character**: reflecting Christ-likeness; in **conviction**: knowledge of the Truth leading to maturity in Christ; and in **competence**: having opportunities to use our spiritual gifts to serve and love others, all to the glory of God and His Son, Jesus Christ.

**STUDY: SOUL SONGS,  
EXPLORING LOVE, GUILT, FEAR  
AND REDEMPTION FROM THE  
PSALMS BY TIM CHESTER**

Led by: Mandy Schoonhoven  
(mandysch7@gmail.com)

Music is a powerful thing. Perhaps that's why God directed his people to write and sing the Psalms. They express the complete range of our human emotions, from worry and despair to peace and contentment. In this study, we will re-tune our hearts to think God's thoughts after Him by exploring selected Psalms that deal with our emotional response to our loving and ever-present God. Topics include songs for sleepless nights (Psalms 3 and 4), when sin seems good (Psalm 16), when we want to run away (Psalm 18), for dark days (Psalm 23), when we are afraid (Psalm 27), and for secret guilt (Psalm 32).

**STUDY: COLOSSIANS**

Led by: Karen Fernandez  
(karen@cbcvallejo.org)

The Book of Colossians is first and foremost about the preeminence of Christ and His all-sufficiency in all facets of life. The truth of the gospel reigns as it refutes the false teaching of the world. John MacArthur says of Christ's sufficiency, "He is the Sun that enlightens, the Physician that heals, the Wall of Fire that defends, the Friend that comforts, the Pearl that enriches, the Ark that supports, and the Rock to sustain under the heaviest of pressures."

408 O'Farrell Dr., Benicia
