

***Studies In The Book Of Daniel***  
***“The Resolute Man”***

***Lesson 12***

**Read Daniel 6:1 – 9**

**Introduction:** Daniel’s faith produced such a high level of integrity and excellence that his peers could find nothing in him to criticize. Living a life above reproach is one of the greatest testimonies we can have for our Lord. Like Daniel, we need to strive to live honestly and with integrity. This means I place the Lord first in everything I do. This means we work hard to do a good job at our place of employment. It also means, we live by faith and with high standards of moral conduct, especially in our homes. Lord, helps us to be the men you have called us to be.
