All works are made 2014.

Measurements in mm in order of: length – width - height

Bracelet sizes relate to the internal diameter of the smallest segment.

Hagerty Silver foam is recommended for cleaning silver with steel.

The titanium and steel is best cleaned with warm soapy water with warm a final rinse, before being dried with a soft cloth or hair dryer, to prevent watermarks on the surface.

Code:

Ti: titanium

Stainless: stainless steel

Silver: 925 sterling silver
