

Day 12

Transmission 35:19

Music: [Daniel Schotsborg - Neurosonic Calibrator Level 2](#)

There is a lot happening during this transmission of Light. We stream the frequencies of Courage, Strength, Honor, Integrity, Confidence and Vitality into your matrix. The Ancient Language I speak in the beginning triggers the codes within your DNA/RNA to assist you to more easily hold these oscillations.

Emerging through the previously anchored energies of Joy, Peace and Harmony, a harmonic balance occurs. The Cosmic Buddha, Cosmic Divine Feminine and Cosmic Christ Consciousness frequencies guide the ignition of your Multi- dimensional DNA.

If it feels appropriate, the opportunity to call forth a new team of Light Beings to guide you into your next level of Mastery is now available.

Breathe and know that You Are Light!
