- Tobacco users have a \$75.00 surcharge per month per household. You must be tobacco free for 12 consecutive before the surcharge will be dropped.
- Dependent children ages 19 – 25 who are bona fide dependents of a member parent.

## ABOUT MEDICAL COST SHARING

Sedera is a non-insurance, community sharing approach to managing health care costs. Sedera members are self-pay patients, only submitting bills to Sedera when costs exceed their IUA. (Ex: illness or injury).

*There are no networks; members are free to go to the provider of their choice.*
