ANNOYANCE TELEPHONE CALLS

Here's What to do about Obscene or Harassing Phone Calls:

1. **DON'T TALK:** Don't keep talking to the caller. What he really wants is an audience. Don't be that audience.
2. **HANG UP:** Hang up if the caller doesn't say anything. Hang up at the first obscene word. If the caller does not identify himself to your satisfaction, hang up. Do it quietly, don't display your emotions or alarm.
3. **CALL US:** If these obscene or harassing calls persist, call our nearest Business Office — you'll find the listing at the front of your directory. The Criminal Code provides up to six months in prison and \$500.00 in fines for making obscene or harassing calls. We also retain the right to disconnect or remove the phone service of anyone making such calls. We want you to know that we're doing all we can to help you and your family.

Don't Dig Up Trouble . . . Call Before You Dig!

When underground telephone cable is accidentally dug up or cut by power shovels, trenching or earth boring machines, bulldozers, pipe-pushers, or even by picks, bars or shovels — telephone, radio and television service may be disrupted for the whole neighborhood.
