Internet Call Director

Benefits:

- Ensures that you don't miss any calls when you are on-line.
- Logs all calls received with date, time, name and telephone number.
- Allows you to customize greetings in your own voice.

Now you don't have to miss calls while you're surfing the Net!

How it works:

- With Internet Call Director the caller's name and telephone number display on your computer screen to show you who's calling while you're on the Internet, you can:
 - Answer the call.
 - Forward to your cellular phone or second phone line.
 - Play them a message to call you back later.
 - Send the call directly to Personal Voice Mail (if you subscribe).

To order your Internet Call Director service or to get more information, visit the TELUS Web site at www.telus.com/icdirector

Tips:

- If you subscribe to Call Waiting, remember to deactivate the Call Waiting tone for the duration of your Internet session.
- Requires compatible computer hardware and software. See web site for details.
- Personal Voice Mail sold separately.

Internet Call Director Helpline: 310-4ICD (310-4423)
