WINTER CITIES SHOWCASE '88

“A winner has to make every shot count.” In the world of championship trapshooting, where Susan Natrass competes, you may need to hit the target 195 out of 200 times to win. You have to make every shot count.

In business sales and management, time is the vital commodity. To be the best, you have to make every hour count.

At 'edmonton telephones', we can help you make the most of every hour.

Six-time World Champion Trapsooter Susan Natrass training at dawn.

With a Cellular phone in your car you can keep in touch while you're on the road, driving to and from the office and appointments.

When you're away from your car, our new, miniature Pagers can go with you everywhere, comfortably.

And our new Voice Messaging Service allows you to receive, and send, messages anytime, anywhere from any phone.

Do you really want to make the most of every hour? To be the best? Call:

441-7101

Our reputation is always on the line.
