Different choices, for different people

Smart Phone

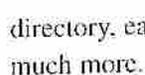

Choose to rent a VISTA display phone and you get more than a smart phone. You'll get a phone to suit your needs and your specific lifestyle. You also get the latest technology, incredible built-in features and worry-free renting from TELUS.

The **VISTA 100** with *Call Display* shows you who's calling before you answer. It keeps a record of your last incoming call and has a directory of 6 names and numbers you can dial with the touch of a button.

VISTA 100

The **VISTA 350** has powerful features to give you more control of your phone. Like a speakerphone, 50 number directory, easy-to-read backlit screen and so much more.
