When in doubt about a telephone number, please look in the telephone directory first.

That helps you, helps others, and helps telephone people to do a better job for you.

Dial before you dig

Telephone lines. They're essential to a community. Make sure you don't cut them off. Always phone for their location before operating excavation equipment...or even digging in your back yard. That way you'll avoid the dangers and disruptions that could cost more than money.

2 working days notice required. Call two working days in advance of any excavation to have the underground location of telephone service on your proposed site marked.

Dial '0' (Zero) and ask for
