Now you can find phone numbers faster and more efficiently — with Telus automated Directory Assistance service.

Don't open your door to strangers! When someone claims to work for the phone company, ask for identification. For your safety, Telus employees are required to carry a card that tells you exactly who they are.

Use outdoor public telephones often. They're brightly lighted and located for your convenience in residential and business districts and along highway entrances to the city.

Hello, Bonjour, Bonjourno — say it all with TELUS Long Distance.
