2. TELEPHONE NUMBERS

The customer shall have no right, ownership, or interest in the telephone facilities and number assigned to him, or any right to continuance of service through any particular office, and the telephone number or central office designation, or both, of the customer may be changed upon reasonable notice to the customer when necessary.

AREA CODES . . . Speed Your Out-of-Province Calls

Area Codes provide the telephone industry with a uniform numbering system that assists in giving you faster, more direct long distance service.

The Area Code, when quoted (or dialed) before the two letter, five digit number or seven digit number for out-of-province calls, gives each telephone in Canada and the United States a unique number, there is no other exactly the same.

The Map shown below identifies the general location of the Area Codes in Canada and the United States. A list of Area Codes for some of the more frequently called places in Canada and the United States is shown on Pages 7, 8 and 9.

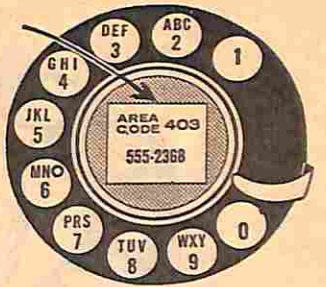

This map shows telephone areas and Area Codes in Canada and the United States. Since some localities can not yet be called by using Area Codes, consult your Directory for the specific distant point and related Area Codes before calling.

WHEN YOU CALL to a telephone outside of Alberta, please give the long distance operator both the Distant Area Code and the telephone number.

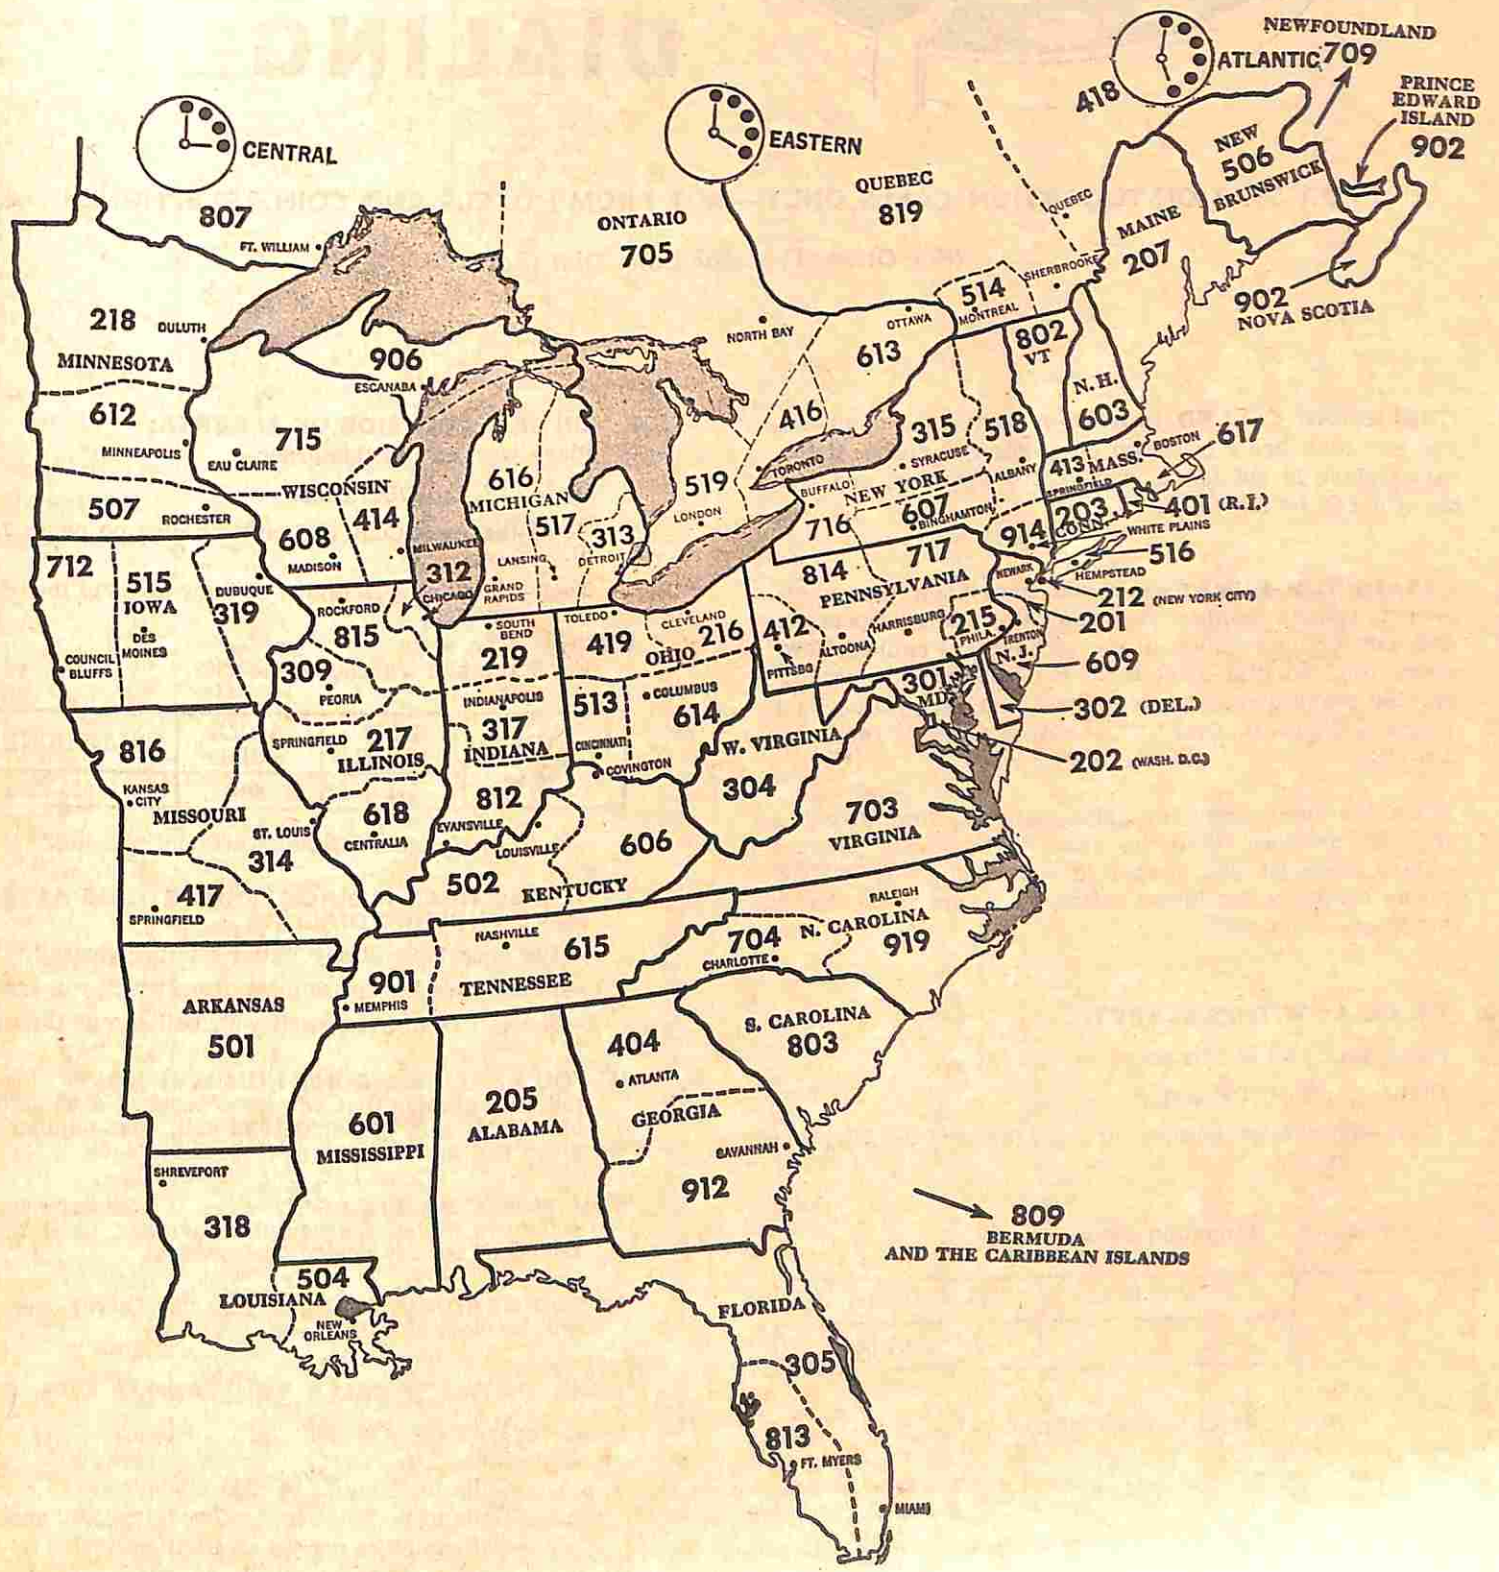

FOR EXAMPLE, IF YOU WANT 555-2368 IN VANCOUVER, SAY, "AREA CODE 604, 555-2368."

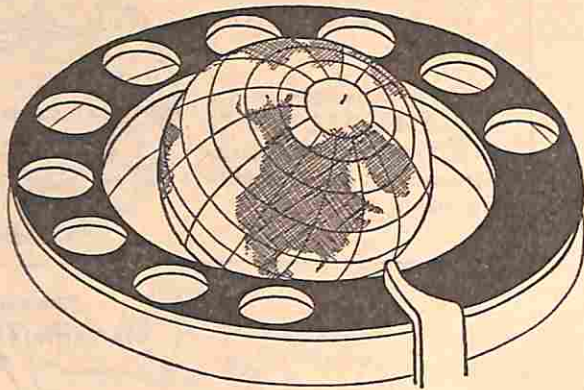

If you have Direct Distance Dialing, dial the Area Code as shown on pages 7, 8 and 9. DO NOT USE THE AREA CODE FOR CALLS WITHIN ALBERTA (AREA CODE 403). When Out-of-the-Province Friends Call You, they use both your Area Code (403) and your telephone number. Please mention both when giving them your number.

All telephones will eventually have the Area Code shown on the dial like this.

... it is a reminder to you to give YOUR AREA CODE TO FRIENDS and business acquaintances who call you from OUTSIDE Alberta.

DIRECT DISTANCE DIALING

FOR STATION-TO-STATION CALLS ONLY—NOT FROM HOTELS AND COIN TELEPHONES

(For Other Types of Calls Dial (Zero))

- CHECK THE CALLED PLACE:** A partial list of places you can dial direct is shown on pages 7, 8 and 9. If the called place is not listed, dial (Zero) Operator, and ask her if it can be dialed.
- OBTAIN THE NUMBER:** If you don't know the out-of-town telephone number you want, dial (Zero) Operator, and ask for information in the city you are calling. However, you can dial directly to the information operator serving many distant places (those marked with an * on pages 7, 8 and 9). Dial "1", the Area Code (if required) 555-1212.

When the information operator answers, first give her the city or town, then the name and address you are calling, then jot the number in your Blue Book of Telephone Numbers for future reference. There is no charge for information calls.

3. ON CALLS WITHIN ALBERTA:

Place your call in this order—

Dial—"1", the DDD code,

Then—the 2 letter, 5 digits, or the 7 digits of the telephone number.

For Example: Edmonton 489-5700.

YOU DIAL	DDD CODE	TELEPHONE NO.
	1	489-5700

Dial straight through without pausing.

4. ON CALLS OUTSIDE OF ALBERTA:

Place your call in this order—

Dial—"1", the DDD code,

Next—the Area Code (Refer to the list on pages 7, 8 and 9).

Then—the 2 letter, 5 digits, or the 7 digits of the telephone number.

For Example: Vancouver 555-2368.

YOU DIAL	DDD CODE	AREA CODE	TELEPHONE NO.
	1	604	555-2368

Dial straight through without pausing.

5. IF YOU HEAR A QUICK DOUBLE TONE AFTER YOU HAVE FINISHED DIALING:

—The operator will say "Your number please".

—Please give her the number from which you are calling.

—She will record it so that your call can go through.

IF YOU REACH A WRONG NUMBER: Dial "0" (Zero) and tell the operator that you have reached a wrong number on a DDD call, quote; date of call, your number and the place and number you attempted to reach.

YOU WON'T BE CHARGED . . . If you hang up before you have dialed the complete number, or if the called telephone is busy or does not answer.

IF YOU NEED ASSISTANCE: Dial "0" (Zero) operator, she will be pleased to help you.

LONG DISTANCE CALLS YOU CANNOT DIAL DIRECT:

—Person-to-Person,

—Collect,

—Calls from hotels or coin telephones,

—Calls to be billed to another telephone, and

—Calls to cities not yet on DDD network.

AREA CODES . . . FOR FREQUENTLY CALLED COMMUNITIES

LONG DISTANCE SERVICES

To Place a Long Distance Call . . .

After reaching the Long Distance Operator, give her your call in this order:

1. The city and province (or state) that you want, and the Area Code, if known.
2. The telephone number. On person-to-person calls, include the name of the person you are calling.
3. If you don't know the number, give the name and address of the party you are calling.
4. When the operator asks for it, give your number.

FOR FASTER SERVICE — CALL BY NUMBER

It's Inexpensive to Call Long Distance . . .

The easier and more economical way to call is station-to-station. This means you will speak with anyone who answers at the called telephone. Charges begin when the called telephone is answered.

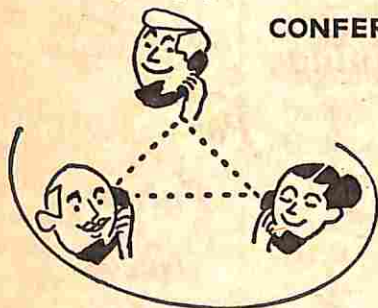

If you want to speak to a particular person, department or extension, you call person-to-person. Charges begin when the specified person, department or extension answers, and are slightly higher than station-to-station calls.

Long Distance is Fast . . .

Calls go through in seconds, particularly if you call by number; so if you'll stay on the line, you'll be able to start talking promptly.

Reduced Evening and Sunday Rates . . .

Low night rates are in effect from 6 p.m. to 4:30 a.m. weekdays and all day Sunday. Alberta time determines the rate you pay.

CONFERENCE CALLS

You can talk to several people in different places at the same time. Tell the Long Distance operator you wish to make a Conference Call.

COLLECT CALLS

If you wish the charges billed to the distant telephone, tell the operator **WHEN YOU PLACE THE CALL** that it is a "Collect" call. She can then determine whether someone at the distant telephone will accept the charge.

MOBILE AND MARINE SERVICE

You can also make local and long distance calls to automobiles and trucks

equipped for mobile telephone service; also to ships equipped for radio telephone service. Ask long distance for the Mobile Service Operator or the Marine Operator.

OVERSEAS CALLS

Calls to practically all the world's telephones can be made from your telephone. Tell your Long Distance operator that you wish to make an Overseas Call and she will connect you with the Overseas operator.

Some typical weekday rates for a three-minute call are:

AUSTRALIA	} \$12.00	BAHAMAS	} \$9.00
BRAZIL			
JAPAN			
PHILIPPINES			

Reduced rates apply on calls to many countries during certain night hours and Sundays.

For further information please call your Operator.

HELPFUL INFORMATION

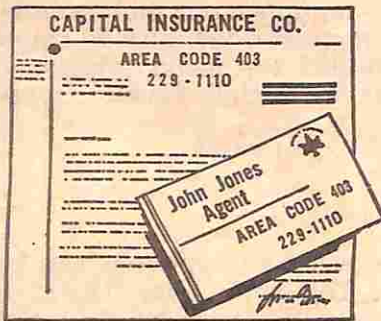

The "Beep" Tone

If you hear a short beep tone about every 15 seconds it indicates that the person with whom you are talking is recording your conversation by means of an electrical recording machine connected to the line. The "beep" signal is produced automatically by a device which connects the recorder to the telephone line and is provided by the Telephone Company for your protection.

If you do not want a record made of what you are saying, ask the person with whom you are talking to disconnect his recording machine. When he disconnects his recorder, the signal is no longer heard.

Use of a recorder without this signal is not permitted.

Your Business Number is Important

It's good business to make it easy for your customers to reach you. Include your telephone number on stationery, statements and all advertising material. Show the 403 Area Code too, it helps out - of - province parties call you faster.

Pay-Station Service for your Convenience

Pay-Station Telephones are installed throughout Alberta for the convenience of our Customers and the general public. Local conversations should be limited to five minutes in the interests of better service.

Long Distance service is furnished at regular tariff rates upon deposit of the amount of the initial charge (covering three minutes conversation), the usual charges being made for excess time.

Telephone as you would be telephoned to . . .

When your telephone rings answer promptly, and cheerfully identify yourself. If you smile while you are talking on your telephone; the smile will be heard in your voice.
