## general information

### IDENTIFICATION OF AGT EMPLOYEES

For your protection all employees of Alberta Government Telephones carry an official Identification Card bearing the name of the Company, the employee's photograph, description and signature. If you have the slightest doubt about anyone who says they are "from the Telephone Company" please ask to see their I.D. Card. Telephone people will be glad to show you their card.

### YOUR BUSINESS OFFICE REPRESENTATIVE

Your account is handled by a representative at the Business Office who will help you in any service requirement. She will arrange for new or additional telephone service, a move or disconnection of service, listings in the directory, and advertising. She will also answer questions about your bill or payments, and will furnish information on other telephone matters. **For Business Office Dial "0" (Zero) and ask for Business Office (No Toll Charge.)**

### THE "BEEP" TONE

If you hear a short beep tone about every 15 seconds it indicates that the person with whom you are talking is recording your conversation by means of an electrical recording machine connected to the line. The "beep" signal is produced automatically by a device which connects the recorder to the telephone line and is provided by the Telephone Company for your protection.

If you do not want a record made of what you are saying, ask the person with whom you are talking to disconnect his recording machine. When he disconnects his recorder, the signal is no longer heard.

Use of a recorder without this signal is not permitted.

# ANNOYANCE TELEPHONE CALLS

## Here's What to do about Obscene or Harassing Phone Calls:

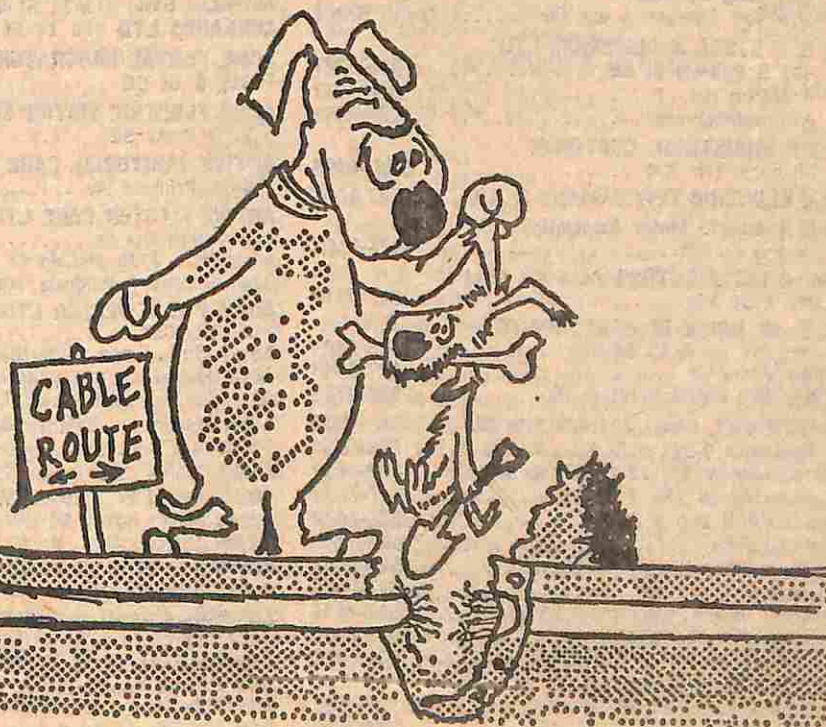

1. **DON'T TALK:** Don't keep talking to the caller. What he really wants is an audience. Don't be that audience.
2. **HANG UP:** Hang up if the caller doesn't say anything. Hang up at the first obscene word. If the caller does not identify himself to your satisfaction, hang up. Do it quietly, don't display your emotions or alarm.
3. **CALL US:** If these obscene or harassing calls persist, call our nearest Business Office — you'll find the listing at the front of your directory. The Criminal Code provides up to six months in prison and \$500.00 in fines for making obscene or harassing calls. We also retain the right to disconnect or remove the phone service of anyone making such calls. We want you to know that we're doing all we can to help you and your family.

## Don't Dig Up Trouble . . . Call Before You Dig!

When underground telephone cable is accidentally dug up or cut by power shovels, trenching or earth boring machines, bulldozers, pipe-pushers, or even by picks, bars or shovels — telephone, radio and television service may be disrupted for the whole neighborhood.
