## EXCHANGE SERVICE

### DIRECTIONS FOR USING THE TELEPHONE

Consult the Directory before placing a call and ascertain the number wanted.

To call the Operator give one long ring before removing the receiver from the hook, then hold the receiver to the ear. When the operator answers "**number,**" respond promptly by giving the number of the subscriber's telephone desired, giving the figures of the numbers separately, as "**One-four-two-nine,**" instead of "**Fourteen-twenty-nine.**" Keep the receiver to the ear and the Operator will connect you with the party called for and ring his bell, unless his line is found to be busy, in which case she will notify you of that fact.

When you have finished talking place the receiver on the hook, small end up, and give a short ring. This gives the Operator a signal to disconnect, and you are then in a position to call another number or to be called.

**Answer the calls** on your telephone promptly.

**Face the Transmitter** with the mouth half an inch from the opening. Speak naturally, distinctly, and not too rapidly.

Call "**Information**" for subscribers or changes not found in this Directory.

**Do not use the Telephone** during a thunder storm.

## Notice

Rentals are payable semi-annually in advance. On the second and subsequent instalments subscribers are allowed 25 days from due date to make settlement, after which they are liable to discontinuance of service for non-payment.

# General Rules

## INFORMATION

Call telephone No. 285 for NUMBERS of New Subscribers, Changes, Long Distance Line Charges, New Toll Offices, etc.

## TROUBLE DEPARTMENT

Complaints regarding Telephone Troubles should be reported to Trouble Department, Telephone No. 399. If not promptly adjusted refer to Local Manager, Telephone No. 199. If the matter is not then satisfactorily arranged, notice should be sent to Dist. Manager, Calgary. When reporting Trouble give Telephone Number affected and its location, also state as accurately as possible just how the trouble manifests itself. Try to be specific, as incomplete information frequently causes delay in locating nature of trouble. If any line appears too busy for good service write the Local Manager. Subscribers are requested not to engage Trouble or Information Clerks in conversation longer than is necessary, as by so doing the Clerk may be prevented from giving prompt attention to other patrons.

## COURTESIES

Answer promptly.

Wait until bell stops ringing before placing receiver to ear.

When you call any one open the conversation by stating who you are.

When you are called, answer by stating your number or giving your name or firm's name.

Brevity is also courtesy in telephone conversation, as someone else may be endeavoring to communicate with yourself or the other party.

Much confusion and annoyance could be avoided if subscribers would carefully read and carry out instructions.

# Long Distance Service

## RULES AND REGULATIONS

**To Make a Long Distance Call**—Call "Long Distance" in the regular way. When the Long Distance Operator answers, give the number of the telephone from which you are speaking, your own initials and name, the initials and name of the particular person desired and the city or town where he can be located.

**Example**—Number 4567, J. H. Brown speaking. Get W. K. Jones at Edmonton. If he is not there I will speak to A. F. Smith.

**Long Distance Charges**—All rates quoted are for an initial period of three minutes. For overtime beyond the initial period a proportionate charge is made per minute.

**Long Distance Tolls** will be charged to the subscriber from whose instrument the Long Distance message is sent.

**Night Rates**—From 18 o'clock to 6 o'clock a night rate of about one-half the day rate is in effect over the Long Distance Lines of the Government. In no case is the night rate less than 25 cents, unless the day rate is less, in which case the night and day rates are the same.

**Reversal of Charges**—All charges will be made against the Originating Office except those messages for which the receiving party expressly agrees to pay. The assent of the receiving party to a reversal of charge should be obtained before the connection is established.

**Messenger Service**—Upon request, and the prepayment of reasonable charges, a messenger will be sent when possible to notify a non-subscriber to come to any Public Pay Station.

**When a Particular Person is Desired** the Long Distance Operator must be so advised when the call is placed, otherwise charge will be made from the time connection is established with the telephone desired, whether the party required is obtained or not.

**Non-subscribers** who desire to use subscribers' telephones should be referred to the nearest Public Pay Station.

**Complaints** regarding unsatisfactory Long Distance Service should be made to the Chief Operator and if not then rectified the matter should be referred to the Local Manager (Telephone 199) if not then satisfactorily arranged, notice should be sent to the District Manager, Calgary.

# Rules and Regulations

## **DESTROY PREVIOUS LISTS.**

The right of the subscriber is to use the instruments and connecting lines under such rules as the Government may from time to time prescribe. He shall not extend their use to other individuals, except his servants upon his business, nor shall they be used for any tolls or consideration to be paid by any person other than the Subscriber; nor does this confer on him the right to use any other instrument. There are Public Pay Stations installed at convenient locations for the accommodation of non-subscribers and the general public.

A Subscriber is not allowed to remove or otherwise interfere with the wire connections or parts of any Telephone apparatus leased.

**Moving of Instruments**—The Telephone is first located where the Subscriber directs; if, afterwards, the instrument is required to be moved such removal will be done at the expense of the Subscriber. Local Agent should be notified ten days in advance.

**Numbers**—Subscribers are requested not to advertise Telephone Numbers, but simply the word "Telephone," as it may be necessary to change such Numbers.

The use of profane or improper language over the line is strictly forbidden.

## **To TELEPHONE SUBSCRIBERS AND THE PUBLIC**

All employees of the Alberta Government Telephone System, whose duties require them to enter the premises of subscribers or others, are required to wear a badge. The public is hereby notified to require all persons who desire to enter their buildings or premises for purposes in connection with the Telephone, to exhibit their badges and note the numbers of the same. Any person claiming to be an employee of the Telephone System, who is without this badge, should be refused admission and the Local Agent be notified at once by telephone.
