

# CharityTracker™

Strengthens and Maximizes the Collective Caring Power of Communities

CharityTracker.com

888.764.0633

CharityTracker is a simple-to-use, web-based service used by **thousands** of helping agencies in over **1,100 cities** in 41 states.

Charitable nonprofits, churches, food banks, healthcare providers and government agencies use CharityTracker to connect and serve their communities together.

Through well-connected care networks, agencies do more than just help people **get by**. Now, they help them **get ahead** to a better quality of life and brighter future.

## Results are Amazing!

**PEOPLE**  
*are better served*

- Build a Stronger & Broader Safety Net
- Find & Mobilize Resources in Real-time
