

Discussion Questions

Speaker: Brian Burns
CAMA Services

1. Do you need to find ways to slow down and enjoy your partnership relationships?
2. Do you need to find time to get to know the culture of your partner and not just focus on the projects?
3. Adaptability: If things have reached an apparent impasse in a relationship or partnership have you thought about new ways of adapting ministry?
4. Are there areas of your partnership where you as the North American need to back away and let the local leaders to solve their own problems.
5. Let the projects flow out of the relationship...do you need to reorient your project creation?
6. Are there any areas of your partnerships you need to release to others?
7. Do you have an exit strategy for global projects? Are you building up local leaders?
