

Discussion Questions

Speaker: Dan Shoemaker
RMI

1. Is missions an ongoing part of the church or something that happens or is talked about on an occasional basis?

2. Is your pastor part of the missions efforts of your church? What can you do to bring them into the process?

3. How do you rank on each of these keys and what can you do to improve each?
 1. Is it long-term minded?

 2. Do you have compatible theology?

 3. Spiritual - Is the goal to experience the oneness we have in the Holy Spirit? Do your projects come secondary to your relationship in Christ?

 4. In Depth - because it is long-term you have the time to get to know one another. - are you getting to know your partners deeply? Do you value the relationship?

5. Church Partnering - Are you partnering with a church?

6. Engage a third party facilitator - Have you considered using a third party facilitator? (A Missionary, or an agency you can work through to assist with vast differences in culture and someone who can tell you no, someone who can protect both cultures.)

7. Do you have a holistic strategy for engagement? Or is it limited or self-serving?
