

Discussion Questions

**Speaker: Dave Wilson
Avant**

1. God does not call the equipped, but he equips those he calls. Are you rolling out possible candidates without listening to their calling?
2. As you assess possible missionary candidates do you look to see what kind of active ministry they are part of or previous fruit bearing they have demonstrated?
3. What initiatives could you start to help missionary candidates have cross-cultural or practical ministry experience before going overseas?
