Speaker: Matthew Ellison and Chris Olson
Sixteen:Fifteen

Church:

1. Do you know what your vision is for the world? Do you know how to describe it to an agency if given a chance?
2. Have you pro-actively approached agencies looking for ways to partner?

Mission Agency:

1. How often do you ask church leaders what their vision is for the world?
2. How can you transition "from" doing missions for churches to doing missions "with" churches?
3. Are there ways that you can help churches stay in better contact with their missionaries on the field and help the missionary stay in better contact with their church?
