

The Christmas Proclamation:

Heaven is coming to earth and taking over!

The same Greek word is translated, I bring you good tidings of great joy... (the angel, Lk. 2.10), and I must proclaim the good news of the kingdom of God (Jesus, Lk. 4.43). The root word is "euangelizo" -literally, "evangelize."

The birth of the baby is such good news because it is the first evidence that the proclamation is already coming true. The tide has turned. Evil is doomed!

Thank **KING JESUS** for the presents under this tree, and ask Him for some opportunities to give them away to people around you this Christmas season.
