

## GIVE THE GIFT OF A COLLEGE EDUCATION TO A LOCAL STUDENT

Since 1937, the Mamaroneck-Larchmont Student Aid Fund has helped nearly 2000 Mamaroneck High School students pursue their dreams of college thanks to generous donations from our community.

In recent years, more than 1 in 7 members of the Mamaroneck High School senior class received an SAF scholarship and more than half of our recipients have been the first generation in their families to attend college.

The SAF provides funds that close the gap between what students receive in financial aid and the cost of attending college. Our scholarships help cover tuition or expenses such as books, housing, meals and transportation and may mean that students can spend more time studying and less time working at a paying job, live on campus or simply emerge from college with less debt.

In January 2017, the Student Aid Fund was honored with the Martin Luther King, Jr. Award by the Larchmont-Mamaroneck Human Rights Committee, recognizing the SAF's commitment to helping make a difference in young students' lives.

OUR SPEAKERS

Claudia Huter, 1990 SAF Scholarship Recipient

Claudia grew up in Larchmont after her family immigrated from Zimbabwe. Following her 1990 graduation from MHS, Claudia attended the Manhattan School of Music and Concordia College from which she received a degree in Music Education. She and her husband, Steven, founded the Larchmont Music Academy in 1998. The Larchmont Music Academy has nearly 800 students and 43 faculty members. Its students perform locally as well as at Carnegie Hall.

Kevin Duarte, 2013 SAF Scholarship Recipient

Kevin and his family immigrated to New York in 2001. He graduated from MHS in 2013 and currently attends The New School in New York City, where he is a History major, with a minor in Ethnicity and Race. While at The New School, Kevin had an internship in the New York Mayor's Office in Community Affairs and is currently working at the New York State Youth Leadership Council. He hopes to be a community organizer or a history teacher. Kevin and his brother Wesley, a 2016 SAF scholarship recipient, are the first generation in their family to attend college.
