**Select one:**

- Listing input into TAR/MLS will be delayed until: \_\_\_\_\_ Date \_\_\_\_\_
- Listing will not be submitted to the Service.

The undersigned owner(s) fully understand the effects of not submitting the input of the above-listed property to the Service, which include, but are not limited to:

- The listing will not be available to users of the Multiple Listing Service and their potential buyers through the online computer system and all of its other advertising media.
- The possibility of extended time on the market and potentially fewer offers to purchase as a result of its limited exposure.
- If a TAR/MLS keysafe is placed on the property, the Tucson Association of REALTORS® Multiple Listing Service Rules and Regulations require the use of a sign-in sheet. Any other keysafe security regulations do not apply.
- A delayed listing that has first been submitted as Exempt/Delayed will show the listing date as the date the Exempt/Delayed status expires and the listing is to be made available to the MLS for publication to the membership.

Notwithstanding the foregoing, the undersigned does hereby waive or approve the delayed submission of such listing to the Service and acknowledges that the Service will not publish and/or distribute any information with respect to this property to the MLS Participants and subscribers.
