Subject: ACTION NEEDED-Dare to Dream Academy Survey

Greetings Dare to Dream Contacts,

Congratulations, one or more of your students has been confirmed or is pending confirmation to participate in the Virtual 2021 Dare to Dream Academies! As OSPI and the Dare to Dream Academy Partners continue planning for the 2021 Dare to Dream Academies, we are asking for your support to ensure that students have an optimal virtual academy experience and that we have essential mailing/shipping information and summer contact information for participants.

As the registering contact, you are asked to complete the [survey](#) for the students that you have enrolled no later than Wednesday, May 19th.

If you need assistance or have any questions regarding the survey, feel free to email your MSDRS DTD Academy Lead at Events@MSDR.org or call (509) 837-2712.

Below is some additional academy information to ensure you and your students are ready for the 2021 Virtual Academies!

1. DTD Academy Student Registration Packets are due. If you have not already submitted the student registration forms or missing information, please submit to MSDRS. Students must have the registration forms submitted and completed to be confirmed as a 2021 DTD participant!
2. Supplies will begin shipping the end of May – June, and no later than 2 weeks before the academy.
3. Students and registering contacts, watch your emails and mailboxes for confirmation notifications with important login information for upcoming academy orientations, mentoring sessions, technology check-ins and academy sessions!
4. Please continue to work with your IT department to ensure students have all necessary technology to participate. For more information you may view the 2021 DTD Virtual Academies Registration FAQs at <https://www.msdr.org/main/news-events.cfm>.

Thank you for all your efforts to support migrant student participation in the 2021 Virtual Dare to Dream Academies!

Thank you,
