Washington State Priority for Services

Section 1304(d) PRIORITY FOR SERVICES—In providing services with funds received under this part, each recipient of such funds shall give priority to migratory children who have made a qualifying move within the previous 1-year period and who—

- (1) are failing, or most at risk of failing, to meet the challenging State academic standards; or
- (2) have dropped out of school.

Migrant Students Priority for Services Criteria	
Criterion #1 –Migratory children who made a qualifying move within t	he previous 1-year period
Qualifying Move within Previous 1-Year period defined by the following parameter: • A Qualifying Arrival Date (QAD) has been made within the last 365 days (within the last 12 months, including summer).	Documentation Required Certificate of Eligibility (COE)
AND	
Criterion #2 – Migratory children who are failing, or most at risk of fai dropped out of school.	ling, to meet the State's challenging academic standards or
☐ Has not met standard on Smarter Balanced or WA-AIM	Documentation Required
(Washington-Access to Instruction and Measurement) in Grades 3-8 or 11 in either English language arts or math; ☐ Has not demonstrating readiness characteristics of entering	Student level assessment results in the areas tested
Kindergartners as measured by WaKIDS.	
OR Has been identified as drop-out (not yet graduated).	Drop out count provided by OSPI CEDARS.
Dropouts are defined as students who (1) were enrolled in school at some time do expected to be in membership (i.e., were not reported as dropouts the year before received a GED without dropping out of school) (3) did not complete a state or did	e), (2) did not graduate from high school (graduates include students who
	e), (2) did not graduate from high school (graduates include students who strict-approved educational program, and (4) did not meet any of the rivate school, or state- or district-approved educational program; (4b) One Proxy risk factor may be applied when: The student was not present in the district when the State assessment was administered, OR The student is enrolled in a grade level where a State assessment is not administered (grades 1-2 and high
expected to be in membership (i.e., were not reported as dropouts the year befor received a GED without dropping out of school), (3) did not complete a state or di following exclusionary conditions: (4a) transfer to another public school district, p temporary school-recognized absence due to suspension or illness; or (4c) death USE OF PROXY RISK FACTORS when State assessment data is not available to determine whether migrant students are failing, or most at risk of failing, to meet the State's challenging State academic content standards and challenging State student academic achievement standards.	e), (2) did not graduate from high school (graduates include students who strict-approved educational program, and (4) did not meet any of the rivate school, or state- or district-approved educational program; (4b) One Proxy risk factor may be applied when: The student was not present in the district when the State assessment was administered, OR The student is enrolled in a grade level where a State
expected to be in membership (i.e., were not reported as dropouts the year before received a GED without dropping out of school), (3) did not complete a state or discoloring exclusionary conditions: (4a) transfer to another public school district, put temporary school-recognized absence due to suspension or illness; or (4c) death the suspension of the second school district, put temporary school-recognized absence due to suspension or illness; or (4c) death the suspension of the second school district, put temporary school-recognized absence due to suspension or illness; or (4c) death the suspension of the second school district, put temporary school-recognized absence due to suspension or illness; or (4c) death the suspension of the second school district, put temporary school-recognized absence due to suspension or illness; or (4c) death the suspension of the second school district, put temporary school-recognized absence due to suspension or illness; or (4c) death the suspension or illness; or (4c) deat	e), (2) did not graduate from high school (graduates include students who strict-approved educational program, and (4) did not meet any of the rivate school, or state- or district-approved educational program; (4b) One Proxy risk factor may be applied when: The student was not present in the district when the State assessment was administered, OR The student is enrolled in a grade level where a State assessment is not administered (grades 1-2 and high school).
expected to be in membership (i.e., were not reported as dropouts the year befor received a GED without dropping out of school), (3) did not complete a state or di following exclusionary conditions: (4a) transfer to another public school district, p temporary school-recognized absence due to suspension or illness; or (4c) death **USE OF PROXY RISK FACTORS** when State assessment data is not available to determine whether migrant students are failing, or most at risk of failing, to meet the State's challenging State academic content standards and challenging State student academic achievement standards. **Proxy Risk Factors to Criteria #2** 2-a) Student is enrolled in State Bilingual Education Program.	e), (2) did not graduate from high school (graduates include students who strict-approved educational program, and (4) did not meet any of the rivate school, or state- or district-approved educational program; (4b) One Proxy risk factor may be applied when: The student was not present in the district when the State assessment was administered, OR The student is enrolled in a grade level where a State assessment is not administered (grades 1-2 and high
