

Best Financial Advisor

MICHAEL BROCKER, LEGACY WEALTH

"I love working in Woodbury because of the authentic, salt-of-the-earth quality of our people," says your favorite financial whiz, Michael Brocker. And we'd definitely take Brocker's advice when it comes to our community—he's a lifer. "I graduated from Woodbury Senior High ... and believe Woodbury is one of the best places to grow up and raise a family."
