

Placement Report for the Academic Year 2015 - 16

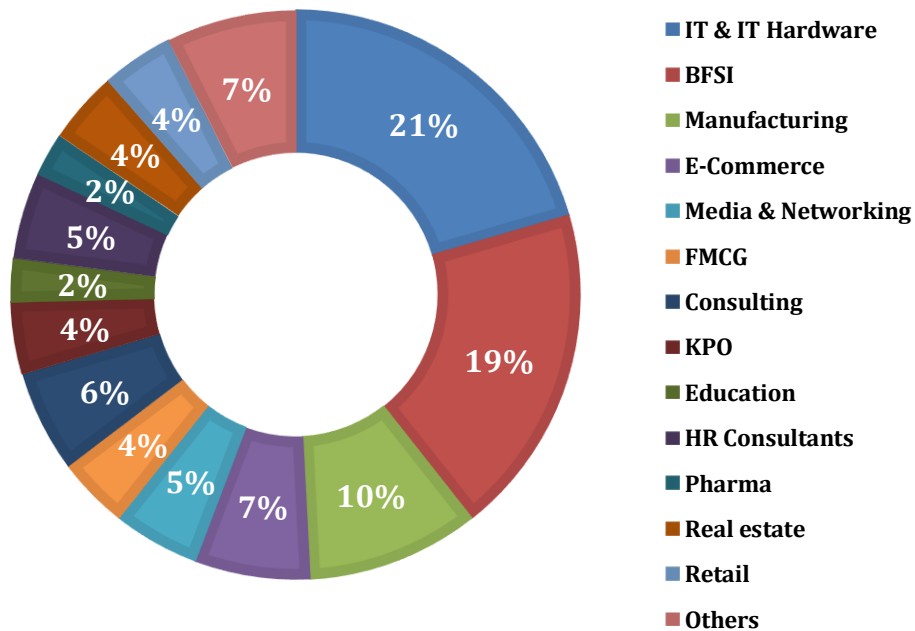

The institute witnessed participation of companies from various sectors. 169 students of 2014-16 batch successfully availed opportunities across diversified profiles and various functions in various organizations.

A total of 120 companies participated in the final placement process. The year saw the institute strengthen its relationship with 49 past recruiters and established relationships with 71 new companies. The batch diversity in terms of different states was well appreciated by the industry. This also reflected in the offers rolled out which were distributed across the major domains of Finance, Marketing, Operations, BFSI and HR. It is noteworthy that new recruiters accounted for 60% of the total number of recruiters and the Institute successfully retained 40% of past recruiters, indicating the rise in the institute's prominence in the industrial portals. An increment in average Salary by an impressive figure of 11.3% reflected the amazing success of placements this year.
