

## Placement Report for the Academic Year 2016 – 17

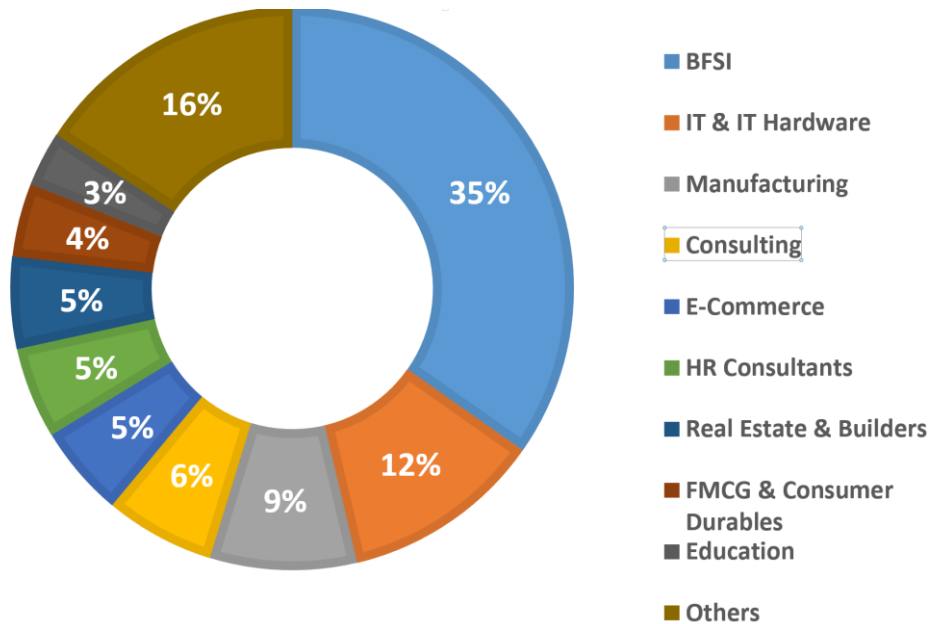

The institute witnessed participation of companies from various sectors. 194 students of 2015-17 batch successfully availed opportunities across diversified profiles and various functions in various organizations.

A total of 106 companies participated in the final placement process. The year saw the institute strengthen its relationship with 53 past recruiters and established relationships with 53 new companies. The batch diversity in terms of different states was well appreciated by the industry. This also reflected in the offers rolled out which were distributed across the major domains of Finance, Marketing, Operations, BFSI and HR. It is noteworthy that new recruiters accounted for 50% of the total number of recruiters and the Institute successfully retained 50% of past recruiters, indicating the rise in the institute’s prominence in the industrial portals. An increment in average SALARY by an impressive figure of 6.6% reflected the amazing success of placements this year.
