

Dr Annapurna P Patil is working as a Professor in the department of Computer Science and Engineering at Ramaiah Institute of Technology; Bangalore-54, since April 1998. She has an experience of 24 yrs in academics. She is a Senior IEEE member, LMCSI, LMISTE, Member ACM, Faculty Advisor of IEEE WIE at the Ramaiah Institute and is the IEEE WIR Chair, Bangalore Section, 2018.

She is a Passionate Teacher, Researcher, Mentor and Guide to many of the PG/UG students at Ramaiah Institute and other PhD aspirants from various institutions.

She has published several papers in various National and International conferences and in reputed Journals. She has also participated as Speaker, Reviewer and as a Session Chair in various conferences both at National and International Level.

Dr Patil has been in the Board of Studies and Board of Examiners across various universities in South India and IETE. She has held positions as Academic Counsel Member at Ramaiah Institute of Technology, Bangalore-54. She has also been participating as a subject expert and delivered Guest Lectures at NIT Goa, RVCE Bangalore, SIT Tumkur, RYMCE Bellary, SMIT Sikkim, SAIT Indore, Christ University, Bangalore, BMSIT&M and other Universities.

Her Teaching Interest spans areas of Mobile Ad Hoc Networks, Protocol Engineering, Artificial Intelligence, Data analytics, Advance Algorithms, Software Engineering, Distributed Computing, Bio-Inspired Computing, IoT and Cloud.

Dr Annapurna Patil has visited University Technology Malaysia, Malaysia, Nov. 14–16 2011, to present her research work at the International conference on Informatics Engineering and Information Science. She has also visited the United States of America to participate as a Volunteer for the IEEE, WIE International Leadership Conference, San Jose, with a travel grant amount of \$1595 from IEEE, USA in May 2017. She has attended the R10 IEEE SYWL conference at Indonesia, Bali, 2018.

She has delivered Talks in various forums on Artificial Intelligence, IoT and Cloud, Design of Wireless routing protocols and Outcome based education.

She is involved in community service activities as a part of IEEE WIE affinity group conducting workshops on ICT for school girls and seminars on general wellbeing of women. She served as the chair of IEEE WIE, Bangalore Section, 2018.

Dr Patil has been involved in Collaborative works with Industries like CISCO, IBM, HPE, Nihon Communications Ltd, Samsung, Bangalore in the areas of Wireless networks, Cognitive Computing, IoT and Cloud. Presently she has seven research scholars working under her guidance in the area of Wireless Networks, Cloud Computing and Artificial Intelligence and Data Analytics.
