

PATRONS

Dr. M. R. Jayaram
Chairman, GEF

Shri M. R. Seetharam, M L C,
Ministry for Planning, Statistics
Science & Technology
Govt. of Karnataka
Vice Chairman(GEF),
Director, RIT

Shri M. R. Ramaiah
Secretary(GEF)
Director, RIT

Sri G. Ramachandra
CFO, GEF

STEERING COMMITTEE

CHAIRS

Prof. V. K. Aatre
Former SA to RM
Director General (DRDO)

Prof. B S Sonde
Former Vice Chancellor,
Goa University, India

ADVISORY COMMITTEE

Prof. Anamitra Makur
National Technological University,
Singapore

Anuradha Srinivasan
Research Director, Intel

Prof. Raji Sundarajan
University of Purdue, USA

Prof. R. Rangasayee,
Dr. S.R. Chandrasekhar Institute of
Speech and Hearing, Bengaluru

Dr. C P Ravikumar
Technical Director
Texas Instruments, Bengaluru

GENERAL CHAIR

Dr. N V R Naidu,
Principal, RIT, Bengaluru

CO-CHAIR

Dr. T V Suresh Kumar,
Professor and Head,
Dept. of Computer Applications,
RIT

Dr. S Sethu Selvi
Professor and Head,
Dept of E&C, RIT

Dr. Anita Kanavalli
Professor and Head,
Dept of CSE, RIT

About RIT

Ramaiah Institute of Technology was started in 1962 by the late Dr. M.S. Ramaiah, our Founder Chairman who was a renowned visionary, philanthropist, and a pioneer in creating several landmark infrastructure projects in India. Noticing the shortage of talented engineering professionals required to build a modern India, Dr. M.S. Ramaiah envisioned RIT as an institute of excellence imparting quality and affordable education. Part of Gokula Education Foundation (GEF), RIT has grown over the years with significant contributions from various professionals in different capacities, ably led by Dr. M.S. Ramaiah himself, whose personal commitment has seen the institution through its formative years. Today, RIT stands tall as one of India's finest names in Engineering Education and has produced around 35,000 engineering professionals who occupy responsible positions across the globe.

About the Conference

The International Conference on Circuits, Communication, Control and Computing (I4C-2018) believes that the grand engineering challenges of the 21st century can only be addressed in an inter-disciplinary and cross disciplinary manner. This has enthused the conference organizers to combine all the major domains of Electrical Sciences in the theme of the conference. This conference will be an international forum for engineers, researchers, scientists, graduate students and industry professionals to cross the design-technology boundary through interactions with design, technology and process experts to develop the skills for future research and development. This will foster an environment for exchanging breakthrough ideas and collaborate effectively. A one day pre-conference tutorial precedes two days of technical presentations.

CO-CHAIR

Dr. Premila Manohar,
Professor and Head,
Dept of EEE, RIT

Dr. Vijaya Kumar B. P.
Professor and Head,
Dept of ISE, RIT

Dr N.Sriraam
Professor and Head,
Dept of ML, RIT

Dr. Jyothirmayi
Professor and Head,
Dept of EIE, RIT

**TECHNICAL PROGRAM
COMMITTEE**

Dr N.Sriraam
Professor and Head,
Dept of ML, RIT

Dr. T.D. Senthilkumar
Associate Professor
Dept. of E&C, RIT

ORGANIZING SECRETARY

Dr. Pradip Kumar Dixit
Dept. of EEE, RIT
Mobile: 7259920479

Theme: Cyber Physical Systems

The **I4C-2018** international conference invites papers related to the theme and sub-themes but not limited to the areas as specified below.

- Embedded And Cyber-Physical Systems
- Internet of Everything (IoE)
- CPS Safety and Security
- Big Data System and Data Analytics for CPS
- Cognitive Modeling of Human Users in CPSS
- Cyber-Physical Systems Modelling and Simulation
- Cloud-Based CPS
 - Distributed CPS
 - Large Scale CPS
 - Smart Energy Systems as Cyber-Physical Systems
 - Smart Cities Applications
 - Renewable Energy Integration with Smart Energy CPS
 - Real Time Operations
 - Distributed Power Management Systems in Large Scale CPS
- Artificial Intelligence In Medicine
- BioMEMS
- Clinical Engineering
- Hospital Engineering
- Robotics

JOINT SECRETARIES:

Dr. D E Geetha
Associate Professor
Dept. of Computer Applications
RIT

Dr. T.D. Senthilkumar
Associate Professor
Dept. of E&C, RIT

Mrs. S. Dawnee
Assistant Professor
Dept. of EEE, RIT

Dr. Viswanath Talasila
Professor
Dept. of TCE, RIT

Dr. Annapurna P. Patil
Professor
Dept. of CSE, RIT

Dr. Sumana Maradithaya
Associate Professor
Dept. of ISE, RIT

Dr. C K Narayanappa
Associate Professor
Dept. of ML, RIT

Dr. M. K. Pushpa
Associate Professor
Dept. of EIE, RIT

Dr. Saravanan A
Assistant Professor
Dept. of EIE, RIT

HIGHLIGHTS of I4C - 2018

- Platform for exchanging breakthrough ideas in an interdisciplinary manner.
- Keynote and Plenary talks by distinguished researchers from across the world.
- Seven technical sessions comprising of varieties of topics related to circuits, control, communication and computing.
- Intensive, one day pre-conference workshops on advanced topics.

Submission policy/guidelines

- Manuscript must be prepared based on the IEEE template (refer attachment). A maximum of four pages is permitted. Additional page will incur extra fee.
- Submission of a manuscript implies: that the work described has not been published before; that it is not under consideration for publication anywhere else; that its publication has been approved by all co-authors, if any, as well as by the responsible authorities – tacitly or explicitly – at the institute where the work has been carried out.
- The conference organizer will not be held legally responsible should there be any claims for compensation.
- Authors should submit their manuscripts online. Please follow the hyperlink “Submission page” and upload all of your manuscript files following the instructions given on the screen.
- The authors have to make sure that no plagiarism (word by word copying) is involved in the content of the manuscript. Due acknowledgment should be given at the appropriate place.

Policy on Plagiarism

Plagiarism includes, but is not limited to,

- Uncredited copying of someone else's work
- Using someone else's material without clear delineation or citation
- Uncited reuse of an author's previously published work
- Plagiarism in any form is unacceptable.
