

Northwest Transplants and Alpha Ag Solutions

invite you to attend a

## **Transplant & Soil Fertility Training Day**

**WHEN:** Thursday, February 6th from 9:00am - 4:00pm

Registration begins at 8:30am (lunch will be provided)

**WHERE:** Northwest Washington Research & Extension Center

16650 Washington 536, Mt Vernon, WA 98273

**Don't miss this opportunity to learn about new transplanting technologies, including how to maintain your transplanter and increase transplant performance. Alpha Bio Systems will be there to share new information on how to increase soil fertility by better managing biological components.**

**Space is limited, register Now!**

Early registration (before February 1st) \$10.00

Day of registration \$20.00

**To register please contact Marilee Morrow**
