

**APPLE VALLEY
ORDINANCE O-2022-38**

NOW THEREFORE, be it ordained by the Council of the Apple Valley, in the State of Utah, as follows:

SECTION 1: **AMENDMENT** “10.10.030 C Commercial Zones” of the Apple Valley Land Use is hereby *amended* as follows:

BEFORE AMENDMENT

10.10.030 C Commercial Zones

A. Purpose:

1. C-1 Convenience Commercial Zone:

- a. The C-1 convenience commercial zone has been established for the purpose of providing shopping facilities within the various neighborhoods of the town, primarily for the convenience of people living in the neighborhood. The types of goods and services which may be offered for sale have been limited to "convenience goods" such as groceries, drugs, personal services such as hair cutting and hair dressing, distinguished by the fact that the principal patronage of the establishments originates within the surrounding neighborhood. Consequently, automobiles, furniture, appliances and other stores, the principal patronage of which originates outside the surrounding neighborhood, have been excluded from the C-1 zone.
- b. Inasmuch as this zone is usually surrounded by dwellings, it is intended that residential amenities be maintained as much as possible. Stores, shops or businesses shall be retail establishments only and shall be permitted only under the following conditions:
 - (1) Such businesses shall be conducted wholly within an enclosed building except for the parking of automobiles and service to persons in automobiles, unless otherwise permitted.
 - (2) No entertainment except music shall be permitted in any C-1 zone.
 - (3) All uses must be free from objections because of odor, dust, smoke, noise, vibration or other similar offensive nuisances to adjacent neighborhood areas.

2. C-2 Highway Commercial Zone:

- a. The principal objective in establishing the C-2 highway commercial zone is to provide areas within the town where facilities that serve the traveling public can be most appropriately located.
- b. Other purposes for establishing the C-2 highway commercial zone are to promote safety on the highways, to promote the convenience of the

traveling public, to promote beauty in the appearance of intersections and interchanges in the town and to prohibit uses which will tend to be contrary to the use of the land for its primary purposes or which would be unsightly to the traveling public. In general, this zone is located close to freeway interchanges and at the intersections of important transportation routes.

3. C-3 General Commercial Zone:

- a. The objective of the C-3 general commercial zone is to provide space within the town where nearly all types of commercial goods and services may be provided.

Since the zone permits such a wide variety of uses, the protective features which zoning normally affords to adjacent properties are mostly nonexistent. Owners should develop and maintain their property in recognition thereof.

- b. The C-3 general commercial zones should be located principally in existing communities and not along major highways. To maximize traffic safety, property owners shall provide access in a manner that will minimize the hazard of traffic leaving and entering roadways.

To maximize traffic safety, a traffic impact study must be performed.

As this zone primarily serves the traveling public, all traffic should enter and exit any commercial property in this zone from the highway, major and arterial roads, and not through residential roads if located adjacent to residential areas.

B. Permitted Uses: In the following list of possible uses, those designated as being permitted in a zone will be identified with the letter "P". Uses designated with the letter "N" will not be allowed in that zone. The following list is not intended to be all inclusive, but rather, indicative of uses permitted in the zone.
