

CITY OF AURORA, ILLINOIS

ORDINANCE NO. 022-063
DATE OF PASSAGE August 29, 2022

An Ordinance amending Sec. 2-16 of the Code of Ordinances and providing for the redistricting of the City.

WHEREAS, the City of Aurora has a population of more than 25,000 persons and is, therefore, a home rule unit under subsection (a) of Section 6 of Article VII of the Illinois Constitution of 1970; and

WHEREAS, subject to said Section, a home rule unit may exercise any power and perform any function pertaining to its government and affairs for the protection of the public health, safety, morals, and welfare; and

WHEREAS, the 2020 decennial census reflects that the wards of the City contain populations that are not substantially equal to one another and that exceed the constitutionally permissible ten percent variation; and

WHEREAS, Section 3.1-20-25(b) and (c) of the Illinois Municipal Code provides that whenever it appears from the results of a decennial census that it is necessary to redistrict the City, the City Council shall redistrict its wards not less than 30 days before the first day set by the general election law for the filing of candidate petitions for the next succeeding election for city officers; and

WHEREAS, pursuant to previously adopted referendum, the City shall be divided into ten (10) wards with one (1) alderperson elected from each ward in addition to two (2) alderpersons elected at-large throughout the City; and

WHEREAS, the City Council has reviewed multiple proposed plans for redistricting the City and has considered input from the public as to those plans; and

WHEREAS, the City Council has selected the redistricting plan introduced as Proposal 2A, (hereinafter "the Redistricting Plan") and attached hereto as Exhibit A; and

WHEREAS, the City Council finds that the Redistricting Plan complies with the requirements of Sec. 3.1-20-25 (a) of the Illinois Municipal Code in that proposed wards are nearly equal in population, and the proposed wards are comprised of as compact and contiguous territory, as practicable; and

WHEREAS, the City Council, in consideration of its obligations under Section 2 of the Voting Rights Act of 1965, as amended, finds that the Redistricting Plan will not have a discriminatory impact on the basis of any person's race, color, or membership in a protected language minority group; and

WHEREAS, the City Council finds that to the extent practicable, and in light of its other constitutional and statutory considerations, the Redistricting Plan does not unnecessarily divide any precinct between two or more wards; and

WHEREAS, the City Council finds that a substantial likelihood exists that the results of the 2020 decennial census are inaccurate and significantly underrepresented the population of the City as of April 1, 2020; and

WHEREAS, the City Council finds that the City's population estimated by the 2020 American Community Survey (ACS) is nearly 10% greater than City's overall population as determined by the 2020 decennial census, and that the deviation between the population contained in the two sets is significantly higher in that portion of the City located in Kane County east of the Fox River; and

WHEREAS, the City Council finds that the discrepancy between the City's enumerated population as determined by the 2020 decennial census and the population estimates supplied by the 2020 ACS suggests that the census results significantly undercounted the City's Latino residents; and

WHEREAS, the City Council finds that the population data contained in the 2020 decennial census cannot be reconciled with the population estimates provided by contained in the 2020 ACS; and

WHEREAS, the City Council finds that it is in the best interests of the City and its residents for the City Council to undertake all reasonable efforts to cause a special census for the whole of the City to be conducted at the earliest possible opportunity and to thereafter review and entertain revisions to the Redistricting Plan for conformity with the results thereof;
