

CITY OF AURORA, ILLINOIS

ORDINANCE NO. 022-073
DATE OF PASSAGE November 22, 2022

An Ordinance Amending Chapter 14, Emergency Management Agency.

WHEREAS, the City of Aurora has a population of more than 25,000 persons and is, therefore, a home rule unit under subsection (a) of Section 6 of Article VII of the Illinois Constitution of 1970; and

WHEREAS, subject to said Section, a home rule unit may exercise any power and perform any function pertaining to its government and affairs for the protection of the public health, safety, morals, and welfare; and

WHEREAS, The Illinois General Assembly has adopted 20 ILCS 3305, entitled the "Illinois Emergency Management Agency Act", which sets forth the authority and responsibility of the Governor, State agencies, and local governments in prevention of, preparation for, response to, and recovery from natural, technological, or man-made emergencies and disasters; and

WHEREAS, 20 ILCS 3305/10/c is part of the Illinois Emergency Management Agency Act and authorizes municipalities with a population of less than 500,000 to establish by ordinance an agency or department responsible for emergency management within the municipality's corporate limits;

WHEREAS, due to changes in the relevant statutes and greatly expanded operations and capabilities of the emergency management agency, the established ordinance needs to be significantly revised and amended.

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Aurora, Illinois, as follows: Section One: That Chapter 14, section 1 through 14, shall be and hereby is amended as set forth in Exhibit A.

Section Two: That the ordinances shall be in full force and effect, and shall be controlling, upon the passage and approval of the ordinances.

Section Three: That all ordinances or parts of ordinances thereof in conflict herewith are hereby repealed to the extent of any such conflict.

ORDINANCE NO. 022-073
DATE OF PASSAGE November 22, 2022

Section Four: That any section or provision of these ordinances that are construed to be invalid or void shall not affect the remaining sections or provisions which shall remain in full force and effect thereafter.

Section Five: That the City Clerk and Corporation Counsel are hereby authorized to make any non-substantive or clerical changes to Chapter 14, sections 1 through 14 as necessary for purposes of updating the online municipal code.

1 **Sec 14-1 Generally Establishment**

2 (a) Definitions. As used in this article, the following terms
3 are defined as follows:

4 "Act" means the Illinois Emergency Management Act, 20 ILCS
5 3305, et. seq., and includes any administrative rules
6 adopted pursuant thereto;

7 "Agency" means the division of emergency management;

8 "Coordinator" means the head of the division of emergency
9 management;

10 "Continuity of Operations" means a coordinated effort
11 within the city to ensure that its functional units can
12 continue to perform their primary essential functions
13 during a wide range of natural, technological, and human-
14 caused incidents.

15 "Cyber Incident" means an event occurring on or conducted
16 through a computer network that actually or imminently
17 jeopardizes the integrity, confidentiality, or
18 availability of computers, information or communications
19 systems or networks, physical or virtual infrastructure
20 controlled by computers or information systems, or
21 information resident thereon that affect or control

1 infrastructure or communication networks utilized by the
2 public.

3 "Disaster" means an occurrence or threat of widespread or
4 catastrophic damage, injury, loss of life, or property
5 resulting from any natural, technological, or human-caused
6 incident that necessitates major supplemental assistance
7 and action.

8 "Disaster Training Exercise" means a planned event
9 realistically simulating a disaster, conducted for the
10 purpose of evaluating the city's coordinated emergency
11 management capabilities and provide emergency operations
12 training for emergency response personnel. Actual response
13 by Agency volunteers to local emergency situations not
14 qualifying as disasters, as defined in this section, is
15 considered a disaster training exercise. Provided,
16 however, that performance of the usual and customary
17 functions of a political subdivision (e.g. police, fire,
18 or emergency medical services) is not included within this
19 definition of a disaster training exercise.

20 "Emergency" means an occurrence or threat of severe damage,
21 injury, loss of life, or property resulting from natural,

1 technological, or human-caused incidents that necessitates
2 minor supplemental assistance and action.

3 "Emergency Management" means the efforts of the city to
4 develop, plan, analyze, conduct, provide, implement, and
5 maintain programs for emergency and disaster preparedness,
6 response, recovery, and mitigation.

7 "Emergency Operations Center" means the virtual or physical
8 location at which the coordination of information,
9 resources to support strategic (jurisdiction-wide), and
10 resources to support tactical (on-scene) incident
11 management activities takes place.

12 "Emergency Operations Plan" means the written plan of the
13 city describing the organization, mission and functions of
14 the government and supporting services for responding to
15 and recovering from emergencies and disasters and shall
16 take into account the needs of the whole community
17 including but not limited to individual households,
18 functional and access needs individuals, individuals with
19 pets and/or service animals, schools, businesses, etc.

20 "Emergency Services" means the preparation for and the
21 carrying out of such functions, other than functions for
22 which military forces are primarily responsible, as may be

1 necessary or proper to prevent, minimize, repair and
2 alleviate injury and damage resulting from emergencies or
3 disasters caused by natural, technological, or human-
4 caused incidents. These functions include, without
5 limitation, firefighting services, police services,
6 medical and health services, rescue, engineering, warning
7 services, communications, hazardous materials, evacuation
8 of persons from stricken areas, emergency assigned
9 functions of plant production, temporary restoration of
10 public utility services and other functions related to
11 civilian protection, together with all other activities
12 necessary or incidental to the preparation for carrying
13 out the foregoing functions.

14 "Joint Information System" means the structure that
15 integrates overarching incident information and public
16 affairs in a cohesive organization designed to provide
17 consistent, coordinated, accurate, accessible, timely, and
18 complete information during emergency or disaster
19 operations.

20 "Local Emergency Declaration" means a local emergency or
21 instance, in determination by the mayor, which activates
22 the emergency operations plan of the city and furnishes
23 aid and assistance to save lives, protect public health

1 and safety, or to lessen or avert the threat of severe
2 damage.

3 "Local Disaster Declaration" means a local disaster causing
4 sufficient severity and magnitude, as determined by the
5 mayor, which activates the emergency operations plan of
6 the city and furnishes aid and assistance to alleviate the
7 damage, loss, hardship, or suffering caused thereby.

8 "Mayor" means (1) the mayor or (2) in the event the mayor
9 is incapacitated or absent and thereby prevented from
10 performing the duties of the office, the person authorized
11 by law or ordinance to exercise the powers of the mayor,
12 including the mayor pro tem, an acting mayor, or a person
13 designated as an interim emergency successor.

14 "National Incident Management System" (NIMS) means the
15 comprehensive approach to domestic incident management as
16 established by Homeland Security Presidential
17 Directive/HSPD-5, that ensures all levels of government
18 across the nation have the capability to work efficiently
19 and effectively together using a national approach to
20 domestic incident management and provides a consistent
21 nationwide approach to federal, state and local governments
22 to work together to prepare for and respond to, recover

1 from domestic incidents regardless of the cause, size or
2 complexity and it also provides for interoperability and
3 compatibility among federal, state and local capabilities
4 and includes a core set of concepts, principles,
5 terminology and technologies covering the incident command
6 system, unified command, training, and management of
7 resources and reporting.

4 the affected population; or

5 c. Widespread exposure to an infectious or toxic agent that
6 possess a significant risk of substantial future harm to a
7 large number of people in the affected population.

8 "Statewide Mutual Aid Organization" means an entity with
9 local government members through the state that facilitates
10 temporary assistance through its members in a particular
11 public safety discipline, such as police, fire, or
12 emergency management when an occurrence exceeds a member
13 jurisdiction's capabilities.

14 "Volunteer" means any individual, group, corporation,
15 agency, or other entity contributing services, equipment
16 or facilities to Agency without remuneration.

17 (b) Findings. The city council finds that due to the
18 possibility of the occurrence of a local emergency or
19 disaster of unprecedented size and impact resulting from
20 natural, technological, or human-caused means, and in order
21 to ensure the city is prepared to adequately respond to

1 emergencies or disasters, secure and preserve lives and
2 property of the people, and protect the public in an
3 incident or event, it is necessary to establish an
4 emergency management agency in and for the city.

5 (c) Establishment. In accordance with the Act, and in the full
6 exercise of the home rule authority conferred by the
7 Illinois constitution, the city council hereby establishes
8 an emergency management agency within and as a division of
9 the fire department.

15 emergency plans and procedures; and participating in
16 training, exercising, and evaluation of programs
17 designed to train responders, emergency workers, crisis
18 managers, and the community;

19 2. Developing, reviewing and maintaining the city's
20 supplemental and supporting documents to the emergency
21 operations plan as deemed appropriate and necessary by
22 the coordinator or by state or federal regulations;

- 1 3. Determining the resource requirements of the city for
2 goods, services, supplies, facilities, personnel and
3 other necessities in the event of an emergency or
4 disaster;
- 5 4. Preparing and maintaining an emergency resource guide
6 with a listing of response and recovery resources and
7 subject-matter experts with emergency management
8 training and skills in functional areas of preparedness,
9 response, recovery, and mitigation;
- 10 5. Developing, conducting, or facilitating emergency
11 management training, exercises, and education programs
12 for city employees as well as the general public designed
13 to enhance preparedness and test response capabilities
14 of the city to emergencies and disasters;
- 15 6. Establishing and maintaining a communications system
16 within the emergency operations center capable of
17 communicating with key officials and other local
18 departments as well as appropriate county, state, and
19 federal agencies and utilizing these systems and others
20 as appropriate to manage communication resources during
21 emergencies or disasters;
- 22 7. Receiving and analyzing information regarding potential
23 threats or hazards, regardless of their nature, and
24 disseminating timely and factual information to city

1 officials and as appropriate, the general public to the
2 maximum extent possible;

3 8. Facilitating agreements between city departments, local
4 municipalities, state and federal agencies, and whole-
5 community partners to strengthen preparedness, response,
6 recovery, and mitigation efforts and participating
7 during emergencies and disasters affecting the city;

8 9. Enhancing the capability of the city to respond to an
9 emergency or disaster incident by maintaining a unified
10 and coordinated operational structure and process
11 responsible for coordinating critical resource support
12 and continuity of operations through the emergency
13 operations center;

14 10. Supporting the National Incident Management System
15 (NIMS) and other federal frameworks, in preparation for,
16 and throughout the response and recovery phases of an
17 emergency, disaster, or incident of national
18 significance, through the activation of the city
19 emergency operations center and applicable plans;

21 emergency and disaster related ordinance(s),
22 proclamations, or executive orders, as necessary;

23 12. Acting as a coordinating and support agency to
24 coordinate the recruitment of volunteer personnel and

1 non-profit organizations to facilitate the availability
2 and use of volunteers needed to augment city personnel
3 during an emergency or disaster;

4 13. Maintaining communication and cooperation with
5 local municipalities, county and state governments, and
6 any public or private agency or entity in achieving any
7 purpose of this ordinance, and in implementing emergency
8 management programs for preparedness, response, recovery
9 and mitigation;

10 14. Supporting a joint information system for the
11 development and issuance of media releases in
12 preparation for, or during periods of impending or
13 actual disaster or other emergency or disaster
14 situation;

15 15. Supporting any city department by providing
16 disaster, emergency, and non-emergency functions such
17 as, but not limited to: traffic and crowd control,
18 communications, severe weather spotting, ground search
19 and rescue, and public relations/education activities.

20 16. Doing all things necessary or incidental within the
21 scope of emergency management activities in the
22 implementation of this ordinance and in support of the
23 Illinois Emergency Operations Plan;

6 Every person appointed to serve in any capacity in the ~~city~~
7 ~~emergency management~~ agency ~~organization~~ shall, before entering
8 upon ~~his~~ such duties subscribe to the following oath, which shall
9 be filed with the ~~emergency management agency~~ coordinator:

10 "I _____, do solemnly swear (or affirm) that I will
11 support and defend and bear true faith and allegiance to the
12 Constitution of the United States and the Constitution of the
13 State of Illinois, and the territory, institutions, and
14 facilities thereof, both public and private, against all
15 enemies, foreign and domestic; that I take this obligation
16 freely, without any mental reservation or purpose of evasion;
17 and that I will well and faithfully discharge the duties upon
18 which I am about to enter. And I do further swear (or affirm)
19 that I do not advocate, nor am I nor have I been a member of
20 any political party or organization that advocates the
21 overthrow of the government of the United States or of this
22 state by force or violence; and that during such time as I am

1 affiliated with the city emergency management agency
2 organization, I will not advocate nor become a member of any
3 political party or organization that advocates the overthrow
4 of the government of the United States or of this state by
5 force or violence."

6 (Code 1969, § 14-10; Ord. No. 093-67, § 1, 9-7-93)

7 **Sec 14-11 Office**

8 The mayor may designate space in a city building, or elsewhere, as
9 may be ~~provided by him~~secured for such use by the city council for
10 the ~~city emergency management~~ agency as its office.

11 (Code 1969, § 14-11; Ord. No. 093-67, § 1, 9-7-93)

12 **Sec 14-12 Training and Exercise Notification**

13 (a) Prior to conducting an emergency or disaster exercise, the
14 coordinator shall provide the area media with written
15 notification of the exercise. Such notification shall
16 indicate that information relating to the exercise shall
17 not be released to the public until the commencement of
18 the exercise. The notification shall also contain a request
19 that the notice be so posted that all relevant media
20 personnel are advised of the emergency or disaster training
21 exercise before it begins.

1 (b) During the conduct of such emergency or disaster exercise,
2 all messages, two-way radio communications, personnel
3 briefings, status reports, news releases, and other oral
4 or written communications shall begin and end with a

8 The testing of disaster warning devices including outdoor warning
9 sirens shall be held only on the first Tuesday of each month at 10
10 o'clock in the morning or during exercises that are specifically
11 expressly approved in advance by the Illinois Emergency Management
12 Agency.

13 **Sec 14-14 Authority to Accept Gifts, Grants or Loans**

14 (a) Whenever any organization or agency thereof or whenever
15 any person shall offer to the city services, equipment,
16 supplies, materials, or funds by way of gift or grant for
17 purposes of emergency management, the Mayor may receive
18 such services, equipment, materials or funds on behalf of
19 the city.

20 (b) The city treasurer shall make funds budgeted by the city
21 council within the general corporate fund for emergency
22 and disaster services purposes available to the coordinator
23 for use in accordance with the proper purposes of the
24 emergency management agency as established in this chapter.

1 The city treasurer shall receive and record any donations,
