Sec 2-65 Aldermanic Initiative Funds

1. Purpose. The city council finds that the unique history and diversity of the city, as well as its size and geography, makes it appropriate to authorize individual alderpersons to direct the expenditure of public funds for limited and specific public purposes subject to the provisions of this section.

2. Definitions. As used in this section, the following terms are defined as follows:

1. "Capital expenditure" means an expenditure involving the construction, installation, improvement, enhancement, repair, maintenance, or upgrade of public property or right-of-way, signage thereupon, or the acquisition of real property. "Capital expenditure" does not include a lease for real property for use by the city.

2. "Chief of staff" means the chief of staff of the office of the aldermen.

3. "Committee" means the rules, administration, and procedures committee of the city council.

4. "Public purpose" means a purpose approved or authorized by law or ordinance which has as its primary objective the promotion of the public health, safety, morals, security, prosperity, contentment, and general welfare

1 of the city or its residents, whether or not there is an
2 incidental benefit to private interests.

3 5. "Public works" means all fixed works constructed or
4 demolished by the city or paid for wholly or in part
5 with public funds, including those authorized for
6 disbursement pursuant to this section. "Public works"
7 shall also include any project defined as a public work
8 under Section 2 of the Prevailing Wage Act.

9 6. "Ward alderperson" means an alderperson elected to
10 represent a ward of the city an not at-large.

11 3. Creation of Funds.

12 1. Aldermanic capital fund. There is created a fund within
13 the city treasury which shall be known as the aldermanic
14 initiative capital fund ("capital fund"). The city
15 council shall annually appropriate such funds as it
16 deems appropriate for the purpose of capital
17 expenditures or public works not otherwise included in
18 the city's capital improvement plan from the Capital
19 Improvement Fund. The city council further shall
20 annually appropriate such sums as it deems appropriate
21 to the capital fund. The city treasurer shall allocate
22 all funds appropriated annually by the city council
23 equally into separate accounts designated for each of
24 the wards established within the city.

1 2. Aldermanic community enhancement fund. There is created
2 a fund within the city treasury which shall be known as
3 the aldermanic community enhancement fund ("non-capital
4 fund"). The city council shall annually appropriate such
5 funds as it deems appropriate from the Gaming Tax Fund
6 to the aldermanic community enhancement fund. The city
7 treasurer shall allocate all funds appropriated by the
8 city council under this section equally into separate
9 accounts equal to the number of alderpersons elected in
10 the city. Each ward established within the city shall be
11 assigned a non-capital account which a ward alderperson
12 may authorize disbursements from under this section. The
13 remaining non-capital accounts shall be assigned to each
14 alderperson elected at large (to be designated at-large
15 alderperson A, at-large alderperson B, etc.) who may
16 authorize disbursements therefrom. All funds disbursed
17 from any non-capital account shall be disbursed only for
18 the purposes and manner authorized by this section. The
19 city council may provide additional funds for deposit
20 into the accounts of alderpersons elected at-large for
21 the sole purpose of paying costs associated with
22 citywide constituent communications.

23 4. Use of funds.

24 1. Capital funds.

1 1. A ward alderperson may authorize the expenditure of
2 capital funds allocated for use in such
3 alderperson's ward for capital expenditures having
4 a public purpose within the ward to pay the costs
5 of contracts let by the city pursuant to law and
6 ordinance or to reimburse a city department
7 expending time, labor, services or equipment
8 related to a capital expenditure made at the ward
9 alderperson's request.

10 2. A ward alderperson may authorize the expenditure of
11 capital funds for the purposes of funding public
12 works within the ward represented by the
13 alderperson through a competitive program intended
14 to facilitate facade improvement, common area
15 improvements, weatherization, energy efficiency or
16 similar fixed work having an ascertainable public
17 purpose not constructed by the city. No alderperson
18 may establish a grant program involving the
19 expenditure of capital funds without the prior
20 approval of the committee, and said approval, shall
21 at a minimum set forth the criteria for grant award
22 and the use of the funds. A wage of no less than
23 the general prevailing hourly rate as paid for work
24 of a similar character in the city, shall be paid

1 to all laborers, workers and mechanics employed to
2 perform work pursuant to a grant under this
3 paragraph unless the project is not a public work
4 as defined by the Prevailing Wage Act.

5 3. A ward alderperson may authorize the expenditure of
6 capital funds for the purpose of paying the cost of
7 a licensed and bonded waste disposal, document
8 shredding, and recycling entity to participate in
9 a one-day clean-up event within the ward
10 represented by the alderperson in each calendar
11 year.

12 4. A ward alderperson may authorize the expenditure of
13 capital funds for the purpose of paying the costs
14 associated with the production, printing, postage,
15 and mailing of one newsletter or similar
16 communication in each calendar year that contains
17 information regarding the availability of a grant
18 program authorized under paragraph (b) above or a
19 program paid for under paragraph (c) above.

20 2. Non-capital. An alderperson may authorize the
21 expenditure of aldermanic community enhancement funds
22 allocated under paragraph (c)(2) for non-capital
23 expenditures having a public purpose, which shall
24 include the following:

1. Contributions or grants to governmental or not-for-profit organizations specifically performing services for the public benefit of the city or its residents;
 2. Grants for neighborhood or community beautification, or for scholarships pursuant to a program specifically authorized by the committee which sets forth the criteria for such award;
 3. Programming activities, including community meetings, shredding, recycling, or neighborhood clean-up days, cultural or educational events, excluding honoraria, speaking fees, lodging, travel, or entertainment expenses in an aggregate amount exceeding three thousand (\$3,000) dollars for any individual program;
 4. Constituent communications;
 5. Printing, mailing, or promotional expenses related to the preceding items;
 6. Any purpose authorized by the committee pursuant to subparagraph three (3) and not otherwise prohibited by ordinance; or
 7. Any purpose for which capital funds may be expended.
3. Expenditures requiring approval by the committee. An alderperson shall obtain the approval of the committee

1 prior to authorizing an expenditure of non-capital funds
2 for purposes other than those specially enumerated in
3 paragraph 2 of this section and are which are not
4 otherwise prohibited by law or ordinance. An alderperson
5 wishing to make an expenditure pursuant to this
6 paragraph may direct a written request to the
7 chairperson of the committee (or the vice chairperson of
8 the committee if the chairperson is the requesting
9 alderperson) describing the proposed expenditure not
10 less than sixty (60) days prior to the date funds are
11 needed for such purpose. The committee shall review the
12 matter at its next meeting. The committee chairperson or
13 vice chairperson, as the case may be, in his or her
14 discretion, may permit the consideration of a request
15 within sixty (60) days of the date funds are required if
16 the request can be accommodated without unduly burdening
17 the staff of any city department or the office of the
18 aldermen.

19 4. Prohibited expenditures. An alderperson may not
20 authorize, and no city department or staff member shall
21 take action to process, the expenditure of funds set
22 forth in this section:

- 23 1. In any amount in excess of the funds currently
24 available for use by the alderperson;

1 2. For political contributions, as defined by Article
2 9 of the Election Code, or expenditures made in
3 violation of the Election Code or the Ethics
4 Ordinance;

7 when required as part of an authorized public
8 improvement project;

11 name, title, or likeness of the alderperson, except
12 that when making an expenditure under paragraph (c)
13 in support of a specific project or event, an
14 alderperson may allow his or her name, title, or
15 likeness accompanied by a depiction of the city
16 seal, logo, or wordmark to be used in advertising
17 or promotional materials associated with the
18 specific project or event without violating this
19 section or any other section of this code;

20 6. For payments to a family member of the alderperson,
21 as defined by Sec 15-130 of this code or to any
22 entity owned by or in which the alderperson or a
23 family member of the alderperson has a direct or

indirect financial interest in such alderperson's
name or the name of any other person or entity;

7. For membership of club dues charged by
organizations, clubs, or facilities that are
primarily engaged in providing health, exercise, or

8. For non-capital expenditures in excess of one-third
(1/3) of an alderperson's annual budget of non-
capital funds authorized in that portion of a
calendar year prior to the end of an alderperson's
present term of office or in support of a program,
activity, or event which occurs after the
conclusion of an alderperson's present term of
office unless the alderperson is an unopposed
candidate for re-election; or

9. For any other expenditure not having a primarily
public purpose or that is prohibited by law or
ordinance.

5. Procedures.

1. Authorization. The chief of staff shall prepare forms
for use by the alderpersons in authorizing disbursements
for capital and non-capital purposes under this section.

1. Capital disbursements. When authorizing a
disbursement for capital purposes under this

1 section, for work to be performed by the city, a
2 ward alderperson shall consult with the director of
3 public works in identifying capital projects within
4 the alderperson's ward to which the alderperson
5 seeks to fund all or in part with capital funds.
6 Upon the ward alderperson's written authorization
7 identifying a specific project and the amount of
8 funds to be used for such project, such funds shall
9 be deemed encumbered and made available for use by
10 the public works department for the purpose so
11 specified. In the case of grants made for public
12 works not performed by the city, capital funds
13 equal to the full amount of the grant program
14 authorized by the alderperson shall be deemed
15 incumbered and unavailable for any other purpose.
16 The chief of staff shall promptly provide the
17 finance department with a copy of the alderperson's
18 authorization.

19 2. Non-capital disbursements. When authorizing a
20 disbursement for non-capital purposes under this
21 section, an alderperson shall submit a written

6 corporation counsel. In the case of a proposed
7 disbursement requiring committee approval, the
8 alderperson shall also submit a copy of the written
9 authorization to the chairperson of the committee
10 (or the vice chairperson of the committee if the
11 chairperson is the requesting alderperson) with a
12 request that the committee place the matter on its
13 agenda for consideration.

14 2. Authorization not binding on the city. An alderperson's
15 authorization of the disbursement of capital or non-
16 capital funds shall not be construed as an agreement by
17 the city to expend funds for any purpose nor shall any
18 alderperson represent to any entity that it may rely on
19 such authorization for any purpose.

20 3. Processing of non-capital disbursements. Upon the
21 receipt of a completed authorization for non-capital
22 disbursement, the chief of staff shall promptly take
23 such actions necessary to affect the non-capital
24 disbursement as directed by the alderperson. Such

1 actions shall include but are not limited to submitting
2 check requests to the finance department, requesting the
3 corporation counsel review any proposed contract
4 agreements, and requesting such certificates of
5 insurance as may be required. Following review by the
6 corporation counsel, the chief of staff shall submit a
7 requisition as well as any contracts or purchase
8 agreements related to the disbursement to the director
9 of purchasing for execution on behalf of the city. An
10 agreement executed under this section may include
11 language allocating or sharing liability for an injury
12 resulting from the city's use of any function, servicer,
13 property or act of another public entity for a purpose
14 authorized by this section without further action by or
15 authorization of the city council in the manner
16 contemplated by the Local Governmental and Governmental
17 Employees Tort Immunity Act.

18 4. Expedited requests. Neither the chief of staff nor any
19 employee of the city shall act on a request for
20 disbursement of non-capital funds submitted by an
21 alderperson fewer than fourteen (14) days prior to the
22 date of the funds are needed unless the expedited
23 disbursement is approved in writing by the chairperson
24 of the committee (or the vice chairperson if the

1 requesting alderperson) and the request can be
2 reasonably accommodated in accordance with established
3 city policies and procedures. Upon approval by the
4 chairperson of the committee (or the vice chairperson of
5 the committee if the chairperson is the requesting
6 alderperson), a copy of such written authorization shall
7 be sent by the chief of staff to the chairperson of the
8 finance committee (or to the vice chairperson of the
9 finance committee if the chairperson of the finance
10 committee is the requesting alderperson).

11 5. Applicability of purchasing system. All purchases of
12 goods, services, supplies, or equipment pursuant to
13 disbursements authorized under this section shall be
14 subject to the provisions of division 2-V-2 of this code,
15 and where applicable, the Prevailing Wage Act. Except as

18 implementing purchases authorized by an alderperson for
19 non-capital purposes.

21 alderperson shall meet with the chief of staff to set
22 the next fiscal year budget. The chief of staff shall

9 carried over by an alderperson shall automatically be
10 carried over into the individual ward's capital account
11 for the next fiscal year.

12 7. Encumbrance of capital funds for multi-year projects.

13 Whenever a ward alderperson deems it to be in the best
14 interest of the alderperson's ward that funding for a
15 specific capital expenditure or other public work be
16 allocated beyond the present fiscal year, the
17 alderperson shall notify the city treasurer ~~and-or~~ the
18 director of public works that funds for such purpose
19 should be encumbered and made available for use by the
20 public works department for the purpose so specified in
