I. General

- A. No A&S funded account may pay any stipend, wage, salary, or salary increase to any positions not funded in the FY 2025-2026 Budget without express consent of the Student Senate in the form of a bill or resolution, except as may be funded in the COGS FY 2025-2026 Budget.
- B. In the event of shortfalls or excesses of entities funded in this budget, the Vice President of Student Affairs, the SGA Advisor, the Senate President, and the Student Body President shall meet to review options. The COGS Speaker shall be invited when the shortfall involves entities funded by COGS. No decisions shall be made without a majority vote of the Student Senate.
- C. The FY 2025-2026 Budget was created under the current \$12.86 per credit hour A&S Fee. Should the FSU Board of Trustees approve an increase to the A&S Fee, the Student Senate Budget Committee should reconvene to allocate any additional projected funds for the remainder of the fiscal year.
- D. The FY 2025-2026 Budget was created under the terms of a Memorandum of Understanding ("MOU") among the FSU Division of Finance and Administration, the Division of Student Affairs, and the Student Government Association, as approved by the 76th Student Senate in Resolution 33. The Budget Committee, and the Student Senate as a whole, intend to fully comply with the MOU and are of the opinion that any proviso language regarding the covered entities help ensure quality of service and compliance with various state and university policies, rather than non-compliance with the MOU.
- E. Monies allocated in the Food category shall be held in compliance with Student Body Statute § 803.7(A) which states "No SGA branch, office, agency, bureau, or affiliated project shall be allocated more than fifteen percent (15%) of its annual budget in the Food category."
- F. Any and all budgeted organizations found in violation of Student Body Statutes shall be subject to the appropriate sanctions contained in the Finance Code and recommended by the Finance Committee, the Budget Committee, and the Student Senate.
- G. It is the position of the Budget Committee and the Student Senate that the current organization for the Student Government Association is no longer providing students with the value that should come with such a large budget. Therefore, the Senate shall enact statutory changes to reorganize the Student Government Association in accordance with the funding structure laid out in the FY 2025-2026 Budget.
 - 1. In order to ensure accountability and responsibility within SGA entities, the Senate shall introduce legislation converting executive bureaus into departments under the Executive Branch that, either directly or through an Executive officer who the Student Body President has ultimate responsibility for, report to the Student Body President or redesignating executive bureaus sufficiently affiliated with a university entity (such as MHC) to an Affiliated Project. The legislation shall redesignate the Office of Governmental Affairs as the Department of External Affairs.

2. In order to ensure further coordination between the executive agencies and the Student Body President, the Senate shall introduce legislation creating a direct reporting requirement between agency leadership and the Student Body President, or their designee.
 3. In order to ensure that Homecoming has the flexibility to operate in their unique circumstances, the Senate shall introduce legislation redesignating the Homecoming Executive Council as an Affiliated Project, while maintaining SGA's control over the Homecoming A&S budget through the Homecoming Planning Commission.
 4. In order to ensure fiscal responsibility and better coordinate SGA programming, the Senate shall introduce legislation making the Class Councils directly responsible to the Student Body President, or their designee, and reorienting their responsibilities towards certain signature SGA events, as well as recurring programming.
 5. In order to ensure that all Student Organizations have a fair chance to receive SGA funding, the Senate shall introduce legislation restructuring the PAC, RTAC, and RSO Budget Fund process by creating a student organization Grant system where qualifying Student Organizations may receive a set amount of SGA funds on a first come, first serve, basis as well as merging PAC and RTAC into a Student Organization Allocation Committee that provides funds for programming and travel to student organizations that request funds beyond the annual grant.
- H. No RSO or SGA Entity shall participate in any giveaway where it is possible for items bought with A&S Fees to solely go to non-FSU students.
 - I. SGA shall be authorized to enter into funding agreements with other University partners for the implementation of the FY 2025-26 budget, subject to approval by the Vice President for Student Affairs.
 - J. The Student Body Treasurer shall, within 10 school days of the effective date of this bill, provide a written memorandum to each budgeted entity detailing the allocated budget and any proviso language on said allocation.

II. Campus Recreation

- A. It is the position of the 77th Student Senate that the Bobby E. Leach Student Recreation Center, the Fitness and Movement Clinic, the Intramural fields, the Rez Lakefront Park and Retreat Center, and the Rec SportsPlex have been primarily funded by student dollars and that these facilities' primary purpose is for student recreational purposes.

III. Union

- A. It is the position of the 77th Student Senate that the Union Department, including various buildings and programs across campus, has been funded by student dollars and that these facilities' primary purpose is for supporting the student experience.
- B. Any A&S-Funded event or entertainment provided by the Union shall be free and open to all students with valid identification. Non-FSU students shall be subject to admission fees.

- C. Revenue placed in the Headliner Account shall be used for the express purpose of bringing major concert acts for the entertainment of the Student Body. This account shall be administered by the Union with input from the Headliners Committee, appointed by the Student Body President. An admission price may be charged to students in conjunction with the monies used from this account. The Headliner Account shall not be swept at the end of the fiscal year.
- D. It is the position of the 77th Student Senate that the Headliners account should support the FSU Homecoming expenses of Homecoming Live.

IV. Executive Branch

A. Executive Branch Administration

- 1. Funds for clothing that is only for members of the Executive Branch shall only be expended upon approval by Senate Resolution pursuant to § 803.8(a)(1).

- 2. Golden Torch is authorized to use funds from previous fiscal years that have not been swept, pursuant to SBS §612.4(j). Golden Torch is encouraged to use the funds sparingly, as to allow the use in the coming years.

C. Recurring Programming & Signature Events (Class Councils)

- 1. The Budget Committee notes disapprovingly that the Class Councils paid for an iPad as part of a giveaway with TSC as it resulted in the possibility that a non-FSU student would be the sole recipient of a purchase made with A&S Fees.
- 2. The Budget Committee readopts the position that the Class Councils are prohibited from using A&S Fees for the purchase of polos or nametags.

D. Agencies

1. Generally

- a. No agency shall spend more than \$200 on awards during the fiscal year.
- b. Funds for conference travel shall only be expended after approval for the travel by Senate resolution.

2. Black Student Union

- a. BSU shall consider whether to hold Bridge the Gap during the Spring semester to avoid being overshadowed by Homecoming. BSU shall report their decision to Senate and the Council of Presidents about their decision by September 31, 2025.

3. Hispanic-Latinx Student Union

- a. No funds shall be expended for travel.

4. Pride Student Union

- a. Discretionary funds shall not be expended for conference travel.
