June 15, 2022 Music in the Park

There will be Music in the Park beginning Wednesday, June 15th in Clyde Keefer Memorial Park. Music starts at 6 PM and goes until 8 PM. Be prepared to see the band Road Kill. Bring a blanket and enjoy the music! Remember to set July 13th and August 17th aside for more Music in the Park. Nate Burnham will be playing in July and Idaho Muscle will play in August. You don't want to miss these events!

TALL GRASS AND WEEDS!!

My neighbor has tall grass and weeds! What can I do? This is a question heard by our city office and by our city council on a regular basis. We know it can be hard to get a hold of our neighbors and let them know their property is beginning to look shabby. Sometimes, neighbors don't live right next door. It could be an

empty lot or an unoccupied home. Beginning in June, the city will make every attempt to contact the homeowner and let them know it's time to mow down those weeds or care for their property. The city has an ordinance, 8.24, where any accumulation of litter which is dangerous to public health, safety or welfare, which is offensive as being noticeably unsightly, to constitute it a nuisance. The city will contact the owner and require they clean up their property of weeds and other unsightly objects. We can all be neighborly by caring for our properties!

City of St. Anthony Leash Law

The city has a leash law requiring all dogs, whether licensed or not to be leashed. City Code Section 6.08.080 reads as follows: It is unlawful for any owner to cause, permit, or allow any dog, whether licensed or not, to roam, run or stray away from the premises of the owner, and to be or remain upon the streets or alleys of the city, or on any public place in the city, or upon any other premises without the consent of the person in possession of such premises. The city has some very popular parks and a dog's feces is becoming an increasingly large problem in those parks. **In fact, at past council meetings, council has discussed whether or not to ban dogs entirely from all their parks. Dogs are banned from the Sand Bar Park and Clyde Keefer Memorial Park.** It is unlawful for the owner or person having charge, custody or control of any dog to fail to immediately remove any feces deposited by such dog upon public or private property. Be a responsible pet owner and please pick up after your pets!

ST ANTHONY'S BUSINESS SPOTLIGHT

This month the City of St. Anthony's Business Spotlight is on East Idaho Credit Union. East Idaho Credit Union (EICU) is located at 750 N Bridge St. They just opened their new location at the end of January. EICU is a full-service financial institution invested in our community. They have been in business since 1935 and serving St. Anthony since 1975. EICU is invested in community and invested in you. They love serving this community and are proud to be in Fremont County. They are here to serve all your financial needs from loans to checking accounts. You may contact Ana, Brandy, Mildred or Jarvis by phone at (208) 523-9068 or (800) 727-99961. Remember to support your local businesses by shopping in St. Anthony!

FRUSTRATED BY YOUR CURRENT INTERNET SERVICE?

The City of St. Anthony is investigating the possibility of a community-owned fiber-optic network. This network would offer more speed, more affordability and more reliability. Learn about this initiative and take the St. Anthony Broadband Survey. **We want your input.** Go to www.stanthonyfiber.com. It's just nine short questions and will take you only three minutes! Don't forget to take the survey!

Sand Bar Park & Swimming

There is always a risk swimming in the river! The Sand Bar Park **does not** have a life guard. **NEVER** swim alone! The current can be swift and debris can be brought down from up stream. Stay away from the dam! You can be swept over the dam. We want you to have a safe summer. Respect the signs and respect the river! Use caution! **Enjoy the summer and stay safe.**
