

RESOLUTION NUMBER 04-2004

A RESOLUTION ADOPTING A STREET TREE LIST FOR THE INSTALLATION AND REPLACEMENT OF STREET TREES IN WEBER COUNTY

WHEREAS, Weber County Land Use Code Section 106-4-2.080 Street Trees requires that street trees be planted by applicants in subdivisions along County roads; and,

WHEREAS, the County is desirous to provide guidance to developers and property owners regarding appropriate street trees; and,

WHEREAS, the Weber County Board of Commissioners are also considering proposed changes to this Land Use Code relative to the installation and maintenance of these important assets for our community; and,

WHEREAS, County Staff have researched best practices regarding which street trees would work best in our area and have prepared a species list, as included herein as Attachment 1; and

WHEREAS, after duly noticed public hearings, the Western Weber Planning Area and Ogden Valley Planning Area Planning Commissions have determined that the adoption of this list is in the best interest of the health, safety, and welfare of the public;

NOW THEREFORE, the Weber County Board of Commissioners hereby adopts the proposed Street Tree List. The Weber County Board of Commissioners also delegates authority to staff to reformat the plan attached hereto for public publishing purposes and in doing so make any clerical or administrative edits necessary to produce a professionally published document.

This resolution shall become effective upon publication.

Passed, adopted, and ordered published this _____ day of _____, 202, by the Weber County Board of Commissioners.

Chokecherry	Prunus x virginiana	Sucker Punch	20-30'	18-20'	rounded	bright white, fragrant
Dogwood, Corneliancherry	Cornus mas	Various	15-20'	15-20'	low branched/rounded	yellow, before leaves
Eastern Redbud *	Cercis canadensis	Various	15-25'	20-30'	irregular	pink/purple before leaves
Flowering Cherry, Akebono *	Prunus x yedoensis	Akebono	20-25'	20-25'	spreading	double, light pink
Flowering Cherry, Kwanzan	Prunus serrulata	Kwanzan	20-25'	15-20'	vase shaped	double deep pink
Flowering Crabapple *	Malus spp. Various	Spring Snow, Snow Drift, Sargent, Zumi	15-25'	15-25'	rounded to oval	varies with cultivar
Flowering Plum, Krauter Vesuvius	Prunus cerasifera	Krauter Vesuvius	15-20'	10-15'	upright	light pink showy
Fringetree *	Chionanthus virginicus		20-25'	20-25'	spreading oval	green-white in spring, fragrant
Fringetree, Chinese *	Chionanthus retusus		20-25'	20-25'	broadly oval	large green-white clusters in spring, fragrant
Hawthorn *	Crataegus laevigata	Pauls Scarlet, Crimson Cloud	20-25'	15-20'	broad round	double rose red
Hawthorn, Lavalley *	Crataegus x lavalleyi	Lavelley	20-30'	15-20'	dense oval	white in spring
Hawthorn, Thornless Cockspur *	Crataegus crus-galli	Thornless Cockspur	20-30'	20-35'	rounded, spreading	white in spring
Hawthorn, Winter King *	Crataegus viridis	Winter King	20-30'	20-30'	wide vase	white in spring, showy
Lilac, Japanese Tree Lilac *	Syringa reticulata	Ivory Silk	20-25'	15-20'	upright, oval/rounded	creamy white fragrant dense clusters
Lilac, Peking Lilac *	Syringa pekinensis	China Snow, Summer Charm	20-25'	15-20'	rounded	creamy white fragrant dense clusters
Linden, Summer Sprite	Tilia cordata	Summer Sprite Linden	18-20'	12-15'	dense pyramidal	tiny yellow fragrant in spring
Maple, Amur	Acer ginnala		15-20'	15-20'	round spreading	white, clusters
Maple, Bigtooth*	Acer grandidentatum	Rocky Mt. Glow, Mesa Glow	20-25'	15-25'	oval to round	small green-yellow in spring, insignificant
Maple, Paperbark*	Acer griseum		20-25'	15-20'	upright oval	small green in spring, insignificant
Maple, Rocky Mountain	Acer glabrum		20-25'	10-15'	oval	small green-yellow in spring, insignificant
Maple, Shantung	Acer truncatum	Pacific Sunset, Norweigian	20-30'	20-30'	rounded to oval	pale yellow insignificant
Maple, Shantung	Acer truncatum	Ruby Sunset	20-25'	18-20'	broad oval to round	pale yellow insignificant
Maple, Trident	Acer buergerianum	Streetwise	20-30'	15-25'	oval/round	small green-yellow in spring, insignificant
Maple, Tatarian*	Acer tataricum	Hot Wings, Pattern Perfect, Rugged Charm	20-25'	15-20'	oval to round	white clusters in spring
Mimosa	Albizia julibrissin		20-30'	20-40'	vase to spreading	Showy pink in early summer
Netleaf Hackberry *	Celtis reticulata		20-25'	20-25'	rounded, spreading	green in spring, insignificant
Oak, Gambel	Quercus gambelii		20-25'	20-30'	round, clump	insignificant
Parrotia	Parrotia persica	Vanessa	20-30'	15-20'	upright vase	insignificant
Serviceberry *	Amelanchier laevis	Spring Flurry, Snow Cloud, Autumn Brilliance	20-28'	15-20'	upright oval	white clusters in spring
Serviceberry *	Amelanchier x grandiflora	Robin Hill	20-25'	15-18'	upright oval	light pink in spring
Zelkova, City Sprite *	Zelkova, City Sprite *	City Sprite	20-24'	15-18'	compact oval to vase	insignificant
Zelkova, Wireless *	Zelkova, Wireless *	Wireless	20-24'	30-35'	flat topped broad spreading	insignificant

* = Proven Performer
