

Scholarship Program Requirements

I am willing to offer 3 individuals the opportunity to cheer for the Magic Valley Elite Program. I strongly feel that everyone deserves the opportunity regardless of financial status. This does not mean our program will 100% cover your costs but it does mean that there is an opportunity for assistance. Here is a list of things that are required to apply for our scholarship program.

- A one page essay on why athlete wants to cheer for Magic Valley Elite, and how they would be an asset to our program.
- A disclaimer from athlete's parent or guardian of why assistance is needed.
- A minimum of at least 2 sponsorships. (Sponsorship form available on website)
- These items need to be turned in with their tryout packet.

What will be expected if the scholarship is accepted.

- Volunteer time helping with any of our other programs, such as, recreation cheer classes, performance team practices.
- Must participate in any and all fundraising activities including the Showcase at end of the season. (athlete and parent)
- Will be required to help clean the gym (once a month)
- Must write a thank you note to your sponsors.
