

Dr. Teresita Glasgow

Inspiring . Informing . Empowering

Dr. Teresita is a seasoned inspirational speaker with an uncanny way of connecting with her audience. She senses the need and speaks to add value. Through her extraordinary ability to weave a story, a poem or an antidote into a talk, she touches the hearts and minds of the audience. No stranger to rejection, hardship and struggle, Dr. Teresita uses wisdom, courage and leadership skills to help others overcome life's obstacles to become life achievers.

BIO

Dr. Teresita has a wide range of professional experience which include both the private and public sectors. She is best known for spending seventeen years navigating through the ranks of a male dominated financial services industry within corporate trust. Dr. Teresita successfully went from a single parent on welfare to a Wall Street career as a Vice president, Relationship Manager and Certified Corporate Trust Specialist (CCTS), the highest designation in the industry.

Dr. Teresita uses her voice to help others through her writing, speaking and training. She is the President/CEO of In His Season, Inc. a Christian Training & Development Company and the Founder of Destiny Dreamer Coaching. Dr. Teresita has served in various leadership roles including Toastmasters, Wachovia Bank Capital Markets Diversity Counsel and is currently a Deacon at her church. She is a member of NAPW (National Association of Professional Women), Toastmasters International, WEN (Women's Empowerment Network), and Women's Speakers Association.

She holds an Honorary Doctor of Divinity Degree From Trinity International University of Ambassadors and is a recipient of the President's (Barack Obama) Lifetime Achievement Award for Volunteer Service.

As a Professional Certified Coach, Dr. Teresita coaches professional women to soar past their fears, free up their time, rediscover their dreams, and reignite their passion to live the life they've always dreamed of. Women working with her experience transformation and elevation.

TESTIMONIALS

Teresita inspired us at the WEN Conference with her presentation *Power, Purpose and Possibility at Any Age*, she reminded us that "age is just a number." A powerful speaker!

~Lisa Nicole Cloud

"Wow, Destiny... is short, sweet and powerful, your presentation as well as your very presence was powerful. The presentation was beautiful! **Tina Minnifield**, Tampa, FL."

This book needs to be made mandatory for all senior year graduates in high school and college to read before graduation. This will prepare and enhance their direction on their journey in this thing called "Life." **Sherrie White**, Atlanta, GA
